DECLARATION OF INTENT

I would like to declare my intent to participate in the College Credit Plus program. I understand that signing this form does not require that I participate during the upcoming school year, and I may decide not to participate without consequence.

I also understand that it is my responsibility to notify my school if I do not gain admission to my selected institution of higher education or choose not to participate in the program.

In addition, I certify that I have received counseling about the College Credit Plus program concerning the rules and regulations for both my school and the college, and that I understand my responsibilities, the benefits and possible risks of participating in the College Credit Plus program.

Please sign and return this form to the secondary school by April 1.

*The maximum number of credits (discussed in earlier slides) may affect the number of classes a student is required to take at Newton HS.

SCHEDULING CONTINUED....

DUAL LEARNING OPTION

Juniors and Seniors who have 1st, 2nd, 7th, or 8th period study halls will be allowed to enroll in the Dual Learning Option during their study hall time frame, where students will be able to leave campus during that time. However, this time is not to exceed two periods per day and 10 periods per week unless they are taking 3 or more CC+ courses. Students will be required to sign in and out of the office each day in order to maintain accurate attendance records. The students enrolled in the Dual Learning Option will not be counted absent as it is the school's expectation that they will be working on school activities during all school hours and will receive credit for a full day of school. If at any time a student misuses this privilege or fails to maintain a 'B' average, he/she will lose this privilege.

2022-23 CCP INFORMATION

PER EDISON STATE COMMUNITY COLLEGE

FYI – Edison will continue to assist high school graduates with the CCP tuition waiver. The waiver covers 100% of the tuition for students who have completed at least 6 credit hours through CCP!

CCP Admission Information: Updated information about the CCP program at Edison State can be found online at www.edisonohio.edu/ccp.

The website includes important information about the program, as well as links to the new student application and ACCUPLACER registration.

CCP Program Eligibility Information: The state's new CCP program eligibility standards were recently approved ([Rule Number 3333-1-65.14](#)).

Students applying for 2022-2023 participation will need to meet one of the eligibility standards outlined below:

1. Cumulative, unweighted high school GPA of at least 3.0
 - Students with a qualifying HS GPA can submit a copy of their transcript to the college for an eligibility review.
2. College-ready (remediation free) assessment scores
 - ACT: 18+ English, 22+ Reading, or 22+ Math
 - ACCUPLACER: 250+ Reading or 263+ Math
 - Students can schedule an appointment to take the ACCUPLACER assessment at www.edisonohio.edu/accuplacer-registration.
3. NOTE: The rule indicates an alternate eligibility criterion for students with grades in “a relevant high school course – as determined by the applicable institution of higher education”. At this time, Edison State has not established “relevant coursework” and will be utilizing the GPA and assessment score criteria to establish eligibility.

Fall Registration @ Newton for Edison courses will be on MARCH 27TH & APRIL 10TH– THEY WILL BE SCHEDULED TIMES SO PLEASE SIGN UP FOR A TIME YOU ARE IN STUDY HALL!!

Academic Diploma with Honors

Students are eligible to receive a seal on diploma signifying Honors Diploma. Students qualify at the end of SEVEN (7) Semesters for an Honors Diploma. Students should plan ahead with their schedule if they plan to qualify for the Honors Diploma.

High School Academic Diploma with Honors <i>Students need to fulfill only 6 of the following 7 criteria</i>	
Subject	Criteria
Mathematics	4 units, including Algebra I, Geometry, Algebra II or equivalent and a higher level elective (Statistics, Algebra III, Pre-Calculus, Calculus)
Science	4 units, including chemistry, physics or anatomy
Social Studies	4 units including World History, U. S. History, Government, and 1 elective in Social Studies
Foreign Language	3 units of one language or 2 units each of 2 languages
Fine Arts	1 unit, must count as a High School credit, JH band/choir does not meet this requirement
Grade Point Average	3.5 on 4.0 Scale
ACT/SAT (Excluding scores from writing sections)*	27 or Higher/1280 or Higher

Math – Students must take algebra I, geometry, algebra II (or equivalent), and one other higher level course OR a four-course sequence that contains equivalent or higher content.

Science – Advanced science refers to courses that are inquiry based with laboratory experiences. They must align with the grades 11/12 standards (or above) or with an Advanced Placement science course or entry-level college course (clearly preparing students for a college freshman-level science class, such as anatomy, botany or astronomy).

Social Studies – Students may get credit for both an American history course and/or the Advanced Placement or International Baccalaureate American history course (same for government and world history). If a district counts financial literacy as a social studies course, students can use it as an elective to meet the requirement. If the district counts financial literacy as a family consumer science or business education elective, it does not count.

World Language – Only credits from courses that are sequential and proficiency based (e.g., Spanish levels I, II, III or German I and II and French I and II) fulfill the honors diploma requirement. Sequential classical (e.g., Latin, Ancient Greek) and visual (e.g., American Sign Language) languages DO fulfill the honors diploma requirement. No units from language courses coded as “Foreign Language Exploratory” can count toward the honors diploma requirement. No units from culture-based courses can count toward the honors diploma requirements.

If a student opts to complete this criterion by taking *two units each of two world languages studied*, a student must complete a total of four world language units. This means two sequential, proficiency-based units in two different languages.

Fine Arts – Courses taken in middle school may meet the general graduation requirement of two semesters of fine arts, but a course must count for high school credit (be high school level work or above) to count for the honors diploma. Dance, drama/theatre, music and visual art courses all count as fine arts courses.

GPA – GPAs must be calculated on an unweighted 4.0 scale.

ACT and SAT score requirements – Students must have scores of 27 or higher on the ACT or 1280 or higher on the 2016 SAT or their equivalents on previous or future versions of the tests.

LOCALLY DEFINED SEALS

COMMUNITY SERVICE - LOCAL

HOW TO EARN...

Complete a community service project aligned with the guidelines adopted by the student's local board of education.

A quality community service experience achieves the following:

1. Provides students with an opportunity to demonstrate critical thinking, leadership, professionalism, knowledge, and social and emotional skills.
2. Gives students the opportunity to gain valuable work skills and explore possible career options in the public, nonprofit and philanthropic sectors.
3. Helps students make connections in their community.
4. Introduces the students to the needs of their community and promotes an understanding of civic engagement and how valuable it is to the community and the individuals within the community.

GUIDELINES...

A student may earn a Community Service Seal by completing a minimum of forty (40) hours of community service during high school in a quality community service experience. Community service experiences must be approved by the District's designated community service advisor in advance. At the completion of the community service hours, the students will be required to confirm with the community service organization's supervisor via a signature and finally the hours and signature must be approved by the District's designated community service advisor.

FINE & PERFORMING ARTS - LOCAL

HOW TO EARN...

Demonstrate skill in the fine or performing arts according to an evaluation aligned with the guidelines adopted by the student's local board of education.

GUIDELINES...

A student must complete one of the following:

Earn two (2) credits of approved fine arts program electives in one (1) of the following disciplines: visual arts, or music, during high school.

Complete one (1) full credit of a fine art (band, choir, or a visual arts course) and successfully participate in one (1) additional fine art related extracurricular experience through Newton High School (including but not limited to drama club, art club, or pep band). Successful participation is defined as engagement in at least seventy-five percent (75%) of the group's activities. The activities for each group will be determined and reported by the group's advisor.

STUDENT ENGAGEMENT - LOCAL

HOW TO EARN...

Participate in extracurricular activities such as athletics, clubs, or student government to a meaningful extent, as determined by guidelines adopted by the student's local board of education.

GUIDELINES...

Students must participate in at least two (2) board approved extracurricular activities during high school. Eligible activities include participation in an athletic program, recognized school club (including school clubs at Upper Valley Career Center and Miami Valley Career Technology Center), or student government. In order for participation to count toward earning a seal, successful participation is defined as engagement in at least seventy-five percent (75%) of the group's activities. The activities for each group will be determined and reported by the group's advisor.
