

Eleanor Roosevelt High School

SCHOOL PROFILE 2021-2022

WHO ARE WE?

Eleanor Roosevelt High School (ERHS) is a comprehensive high school in the Corona-Norco Unified School District within Riverside County, California. ERHS opened its doors in 2006 and currently has an enrollment of 4,613 students. The school's 62-acre campus is nestled in a growing suburban city, Eastvale, which is located in the greater Inland Empire region. The 2016-2017 school year welcomed the first class of freshman to the Eastvale STEM Academy and the three-story eSTEM facility opened on the ERHS campus during the 2019-2020 school year.

Over the last sixteen years, Eleanor Roosevelt High School students have made their mark in various national and state academic award programs such as the National Merit Scholarship Program, the Gates Millennium Scholar program, Girls and Boys State, the prestigious Questbridge College Matching Program, and advancement to the California State and International Science and Engineering Fair. In addition, ERHS has been recognized as one of the Best High Schools in the United States by US News & World Report.

In 2017, ERHS partnered with our local community college, Norco College, to offer Dual Enrollment college courses on our high school campus. Students are taking full advantage of earning college units while completing their high school requirements. We have an average of 250 students enrolled in the Dual Enrollment program in any given semester.

ERHS MISSION STATEMENT

The school's mission is to create a dynamic, innovative learning environment that meets the needs of our diverse student body, guiding students toward excellence in college and career readiness, while challenging them to be responsible citizens.

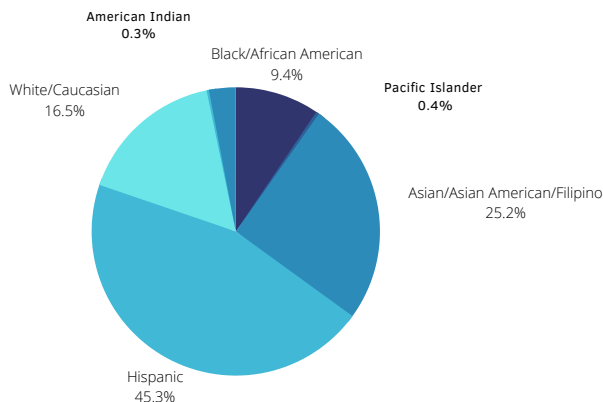

STUDENT BODY

Eleanor Roosevelt High School supports a diverse student body. Among the 4613 students enrolled in August 2022, there is a small, but robust, presence of special needs students ages 14-22 who participate in some general education classes and school activities.

ADVANCED PLACEMENT SCORES

CLASS RANK

Grade levels included are 9th through 11th grades (including summer 2022 session) for 6th semester transcript, and 9th through first semester of 12th grade for the 7th semester transcript. All semester and/or yearlong courses are included. Specific rank is reported for each student.

GRADING SCALE

Grade Point Average Computation:

A = 4 points B = 3 points C = 2 points
D = 1 point F = 0 point

9-12 Weighted GPA: This represents all marks earned during grades 9-12 including the extra grade point weight for any Honors, Enhanced, AP, and/or Dual Enrollment coursework. CNUSD weights all Honors coursework.

9-12 Unweighted GPA: This represents all marks earned during grades 9-12 on a 4-point grading scale.

TRANSCRIPT DATA

Middle School: Math or World Language courses taken in middle school are not reflected on the transcript.

Community Service: not required for graduation.

California's AB104: This bill in part allowed for students to change A-D grades to a Pass (P) and F grades to a No Pass (NP) for the 2020-21 school year. Courses changed from letter grade to P/NP no longer factors into the GPA. Students/Families had from August 3-17, 2021 to submit a form for this request. [Click here for CNUSD's AB104 information.](#)

SAT REASONING TEST 2021-22

Number of Students Tested	Critical Reading	Mathematics	Mean Score
118	574	574	1163

ACT TEST 2021-22

Number of Students Tested	English	Math	Reading	Science	Composite
35	22.5	22.9	24.1	23.3	23.4

A NOTE ABOUT ENTRANCE EXAMS

Due to COVID, California's public university systems ([University of California](#) and [California State University](#)) are test blind as of Fall 2020 therefore testing has decreased from previous years.

CURRICULUM

Eleanor Roosevelt High School offers a rigorous academic curriculum. The majority of classes are offered at the College Preparatory level. Students who meet course prerequisites and would like to challenge themselves may enroll in Honors, Enhanced, and/or Advanced Placement courses. There are six class periods in a set block schedule with one common day on Wednesdays. The Corona Norco Unified School District's minimum credit requirements for high school graduation are listed below.

DUAL ENROLLMENT

In partnership with our local community college, Norco College, we offer college-level courses to our students on the ERHS campus. These courses are general education courses that fall under the Intersegmental General Education Transfer Curriculum (IGETC) pattern for University of California (UC) and California State University (CSU) transferability.

These courses differ semester-by-semester. We currently offer courses in English, Math, Life Science, Business, Communications, Arts, Social Sciences, Childhood Development, Administration of Justice, and Guidance.

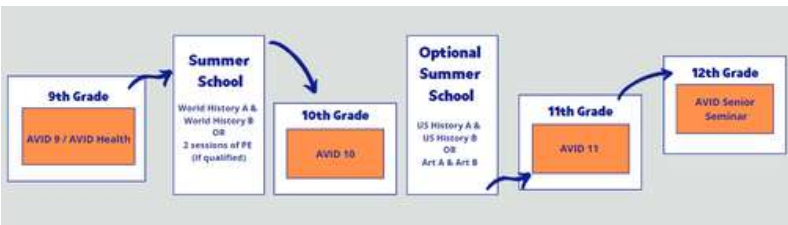

PROGRAMS

At ERHS, we have four academic programs to support our students' various needs and interests. Each program has unique pathways for students who have chosen to be a part of the program. Click on the program titles for their website.

AVID

AVID (Advancement Via Individual Determination) is a nonprofit that changes lives by helping schools shift to a more equitable, student-centered approach. AVID's mission is to close the opportunity gap by preparing all students for college readiness and success in a global society. ERHS has 9 AVID teachers, 2 AVID school counselors, and 1 AVID administrator.

STEM

The Eastvale STEM Academy is a specialized program that offers a rigorous curriculum with CTE courses for students interested in the STEM fields. The program offers three pathways: medical science, engineering, and computer science.

When enrolled in the STEM program, students can expect a learning experience that takes the processes of critical thinking, problem solving, innovation, and collaboration integrated into the curriculum of real-world science, technology, engineering, and mathematics.

PUENTE

Puente classes function as families, or familias, with students acquiring competency in various genres including autobiography, reflection, research, persuasion, literary analysis, expressive, and community-based writing. The Puente counselor works hand-in-hand with the Puente teachers and parents to function as a team. The Puente High School Program is designed to help students graduate from high school, become college eligible, and enroll in college.

UMOJA

Umoja is a community with critical resources dedicated to enhancing the cultural and educational experiences of African American and other students. We believe that when the voices and histories of students are deliberately and intentionally recognized, the opportunity for self-efficacy emerges and a foundation is formed for academic success. Umoja actively serves and promotes student success for all students through a curriculum and pedagogy responsive to the legacy of the African and African American Diasporas.
