

# Artroom News : visual Arts Cursive Writing

Mr. Woehl - Grades 3&4 - Jan. 2017

## Welcome Back Everyone

Thank you to all of the friends and family who came out to the open house! We are very excited to be in the new facility and to share it with the community!

Starting this month, the students will continue with cursive writing until the end of the school year.

With the new art rooms Mrs. Rizer (K-2) and myself have begun planning new and exciting art lessons for the spring.

With some of those lessons being quite messy, I am going to ask that students begin to wear an art shirt every time they come to art class.

These are old oversized shirts that will be used in the art room to protect student's clothing.

Students will keep their shirts in their backpacks and/or cubbies back in their homerooms.

I will have a classroom set of shirts available for students.
