Parent Workshop: Go Math and Think Central

There is a unique workshop opportunity being offered on November 18th at Alta Murrieta Elementary School from 6:00 – 7:30 PM. The district's Executive Director of Elementary Education, Char Gollogly, and Instructional Math Coach Mary Sousounis will be presenting.

Topics will include:

Mindset

Developing an understanding of the new math standards

Think Central (digital resource) and what to expect from homework

There will be limited space at the workshop, and parent reservations are required. Please email Mrs. Mutchnick if you are interested at fmutchnick-jayx@murrieta.k12.ca.us with your name, your student's name, your phone number, and the number attending. Child care is available so please indicate if you would like it and for how many children.

Following this workshop, we will plan to implement similar events at our school. This is a great opportunity to get some information early on and from our district personnel!

Monarchs Making a Difference with Box of Love

Last Friday, Mails Leadership Students listened to Scott from Canning Hunger who reminded them that leaders are people who give back to others. A message with HEART! Thank you to everyone who contributed to Box of Love this year! Together we make a difference!

Spring Musical

We are very pleased to announce that Lisa J. Mails Elementary School will be presenting ***Disney's Beauty and the Beast Jr.*** as its 2015 Spring Musical! Students from 3rd through 8th grade are invited to participate.

Sign-ups start now and will close on December 2nd. The cost to participate in the show is \$25 (cash only). Please go to the Musical Theater page on the Lisa J. Mails website and download all forms and information.

We will be limiting the cast to 75 students; therefore, all students will be required to audition. Because of the size limitation, auditions, as well as behavior, will be considered.

Auditions will take place after school December 2nd for elementary students and December 4th for middle school students, with possible call backs on Friday, December 5th. Students must have a completed audition form and signed contract in order to audition.

Happy Thanksgiving Holiday

As we approach the Thanksgiving Holiday, we want to take a moment to thank you for your participation in our community. At Lisa J. Mails, we truly exemplify the concept of a village raising a child. So many of our parents support our programs and activities in countless ways. Together, we work to ensure that the school experience for our children is exemplary, one-of-a-kind, and memorable.

Whatever your role is at our school, we thank you for continuing to believe in the magic of Mails. We appreciate all that you do to support your child individually and to help make Lisa J. Mails a caring community.

When we count our blessings on Thanksgiving Day, the Mails Community will be one we are sure to include. We hope that it will be on your list as well!

As always, we wish you a safe and peaceful Thanksgiving Holiday!

Congratulations to our October Award Recipients

Classroom Adoptions

Did you know that we are striving for each classroom to be “adopted” this year? Parents and local companies can adopt a classroom for \$250. This money goes directly to the teacher and is used to support both academics and the arts. It is a wonderful way to contribute in a meaningful way!

Please consider adopting a classroom or joining other families to adopt a classroom. Remember, the Library, Band, Special Education, and OT all need our support too!

A big thank you to the following families who are already working to help us reach our goal:

The Brooks Family - Mrs. Mages
The Brooks Family – Mrs. Kizik

We truly appreciate your support!
