CORONA – At a time of uncertainty due to COVID-19, the students at Corona High have risen above the challenges and have found inspiration in the Reflections 2020-21 contest. This year's theme is "I Matter Because." Forty-nine Corona High Panthers have submitted entries consisting of literature, film, and visual arts. The struggle this year has been the shutdown of the schools, yet these extraordinary students have proven that they are strong and resilient. They have turned frustration and struggle into beauty through artistic expression. This year's Reflections contest has been successful with the support of Principal Ben Sanchez, the Corona High teaching staff, and Alisa Knutson the Reflections Coordinator.

The annual Reflections theme is created by a student and selected two years in advance through [the National PTA's](#) theme search contest. This year's theme was submitted by a then 1st grader, Rylee Stier, who drew inspiration from her town being impacted by the CA wildfires of 2018.
