

RUBEN S. AYALA HIGH SCHOOL

November 2016 Principal's Letter

Diana Yarboi

Welcome to the 2016–2017 school year at Ruben S. Ayala High School! We welcome the many new families who have joined our school community and our returning families as well. Our goal is to partner with all families to provide a warm and engaging school environment conducive to learning and one with high academic expectations and positive student behavior. Family involvement is a critical aspect of our school success!

We will continue to provide our students with a world class education in order to prepare them for the 21st century global world. Furthermore, we will continue to strengthen our communication and collaboration with all stakeholders in order to involve all the members of our school community in their educational process.

As both a California Gold Ribbon High School and a California Distinguished School focused on academic rigor, the performing arts, sports, leadership, and engaging clubs and activities we are committed to sustaining Ruben S. Ayala High School's place as a leading international educational institution.
