Core Course Recommendations

3

- ▶ All students take core classes in Language Arts, Math, Science, and Social Studies. Currently students are registered for these based on teacher recommendations.
- ▶ At the end of the year, the most current EOG scores and final course grades will be reviewed to determine if a change in placement is necessary.
- ▶ All students will take Health & Physical Education.

Choosing Your Encore Classes

- For each encore category, start by selecting the class you are currently taking. Based on your answer, the screen will populate with the classes you are eligible to take next year.
- This is to make sure you are not signing up for classes you have already taken, or classes for which you have not taken the prerequisite beginning level.
- Students will continue in the same World Language that they are taking in 7th grade.
