## EOPS

The Extended Opportunity Programs and Services (EOP&S) is a state funded program that provides comprehensive support services to first generation college students who come from low income and educationally disadvantaged backgrounds. The program serves full-time students and aims to inform and guide them through the higher education process. Participants are provided with outreach services, intensive counseling, progress monitoring, tutoring, book vouchers, and priority registration. EOP&S students may also qualify for the CARE program. For more information, stop by the EOP&S office located in the Center for Student Success (CSS)-1, room 3, or call (559) 638-0340. ## CARE

The Cooperative Agencies Resources for Education (CARE) program is a supplemental component of EOPS that is geared for students who are welfare dependent, single head of household, pursuing an education to become economically self-sufficient. In combination, EOPS and CARE provide academic and financial support for low-income students whose educational and socio-economic backgrounds might otherwise prevent them from successfully attending college. CARE provides services that are specifically designed to supplement existing EOPS academic services to help students complete their educational goals.

## The EOPS/CARE program provides the following services:

- Early Outreach
- Priority Registration
- Textbook Services
- Counseling
- Progress Monitoring
- Tutoring
- Transfer Assistance
- Scholarships
- CARE Grants
- Achievement Recognition
- Student Leadership
