The statistical information disclosed in this report is obtained from the California Department of Education and the Centinela Valley Union High School District. At the time of publishing, this report met all SARC-related state and federal requirements, using the most current data available. Data for the instructional materials and school facilities sections were acquired in December 2009.

R. K. LLOYDE HIGH SCHOOL

Accredited by the Western Association of School and Colleges

4951 Marine Avenue, Lawndale, CA 90260
(310) 263-3264

Ed Madrid, Principal

SCHOOL ACCOUNTABILITY REPORT CARD 2008-09 SCHOOL ACTIVITY PUBLISHED IN JANUARY 2010

PRINCIPAL'S MESSAGE

Lloyd High is an alternative high school serving the Centinela Valley Union High School District. We are proud of the fact that we have earned a six-year term of accreditation through the Western Association of Schools and Colleges. We provide an alternative form of high school education experiences to students from our district's multi-ethnic and culturally diverse population. Students transfer to Lloyd from three comprehensive high schools in our district, then participate in a credit recovery program whose structure allows them a great deal of success. Depending on their needs, students are placed in one of three programs: accelerated study, independent study, or special education. Our caring staff works together to provide a course of study through which dedicated students can graduate. Our small setting (enrollment of 245), nurturing environment, sense of community, and commitment to the students will help pupils reach their academic and social goals. Our graduates each year express gratitude to Lloyd for the "second chance" they have received to achieve their educational dreams.

DISTRICT PROFILE

Centinela Valley Union High School District is located next to the 405 freeway in the city of Lawndale, approximately 20 miles southwest of the city of Los Angeles. During the 2008-09 school year, the district's three comprehensive high schools, continuation school, and independent study school served a total of 7,333 students in grades 9-12 residing in the cities of Hawthorne, Lawndale, and Lennox, and unincorporated portions of Los Angeles County. The district serves four feeder districts, Hawthorne Elementary, Lawndale Elementary, Lennox Elementary, and Wiseburn Elementary.

DISTRICT VISION

The Centinela Valley Union High School District is committed to providing an educational environment in which all students succeed. Students will be prepared to meet the challenges of higher education and the future demands of a modern technological society.

SCHOOL PROFILE

During the 2008-09 school year, Lloyd High School served over 231 students in grades 9-12. Student enrollment included 14% receiving special education services, 22.5% qualifying for English learner support, and 63.3% qualifying for free or reduced-price meals.

Percentage of Students by Ethnicity

2008-09 Enrollment: 231

African-Amer.	20.3%
Caucasian	3.9%
Asian	0.9%
Hispanic or Latino	70.6%
Pacific Islander	2.6%
Multiple or No Response	1.7%

PARENT INVOLVEMENT

Parents are encouraged to get involved in Lloyd High School's learning community by volunteering their time, attending school events, or sharing in the decision-making process. The principal maintains an open-door policy, welcoming parents to visit the campus any time to obtain information on school activities or their student's progress. School staff always welcome parent chaperones for field trips. Prior to enrollment, parents are invited to a small-group meeting to discuss Lloyd High School's curriculum and special programs. Parents of seniors meet with school staff to review their student's status in meeting graduation requirements.

Parent representation is an integral component of the School Site Council which works closely with school administration to monitor the school's efforts in creating an effective learning environment. Parents seeking more information about becoming an active member in the school community may contact the school secretary at (310) 263-3264.

Lloyd High School provides several events to support the learning process in and beyond the classroom environment. Throughout the year, staff encourage parents to participate in:

- Back to School Night
- Career Fair Day
- Open House
- Parent Conferences

SCHOOL NEWS

All school-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates in the following formats:

- ConnectEd
(mass communication telephone system)
- Special Bulletins (as needed)

STUDENT ACHIEVEMENT

ADEQUATE YEARLY PROGRESS

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2008-09 AYP cycle, high schools must achieve a 44.5% or higher proficiency rate in English/Language Arts and 43.5% or higher proficiency rate in math on the California High School Exit Exam (grade 10 results only). Additional criteria contributing to whether or not a high school demonstrates AYP

include achieving a 95% or above participation rate on the CAHSEE, obtaining an API growth score of 650 or higher or increasing the API growth by one point, and obtaining a graduation rate of 83.1%.

**Adequate Yearly Progress (AYP)
Results Reported by Indicator and
Compared to District Performance
2008-09**

Did the school and district meet or exceed 2009 AYP performance criteria in each of the areas listed below?

AYP Indicator	Lloyde High	CVUHSD
Overall School Results	Yes	No
Participation Rate		
English-Language Arts	Yes	Yes
Math	Yes	Yes
Percent Proficient		
English-Language Arts	Yes	No
Math	Yes	No
API	Yes	Yes
Graduation Rate	Yes	Yes

The AYP table in this report illustrates the school's progress in meeting 2008-09 AYP target rates. More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

STANDARDIZED STATE ASSESSMENTS

Students at Lloyde High School participate in California's STAR examination each year. The mandatory STAR Program (Standardized Testing and Reporting) is a set of assessments that evaluates student proficiency in core subject areas and compares student results with other students in the state who took the same test. The STAR is comprised of a series of four components: the California Standards Tests (CST), the California Alternative Performance Assessment (CAPA), the California Modified Assessment (CMA), and Standards-based Tests in Spanish (STS).

CALIFORNIA STANDARDS TEST

California Standards Tests assess student performance on the California Academic Content Standards adopted by the State Board of Education. Performance standards identify the level of student mastery of the content standards tested. The state target for every student is to score at the Advanced or Proficient level. Students scoring at the Far Below Basic, Below Basic, and Basic levels may receive differentiated instruction through school intervention programs designed to increase student proficiency levels to meet grade level standards. Detailed results by grade level for each student group can be obtained from the California Department of Education's website <http://star.cde.ca.gov>.

CALIFORNIA HIGH SCHOOL EXIT EXAM

The California High School Exit Exam (CAHSEE) is a state-mandated test given to 10-12 grade students to measure student proficiency in math and language arts. The CAHSEE helps identify students who are not developing skills that are essential for life after high school and encourages schools to give these students the attention and resources needed to help them achieve these skills during their high school years. Students must pass the language arts and math components of the examination to be eligible for a high school diploma. The test is initially given to students in the tenth grade. Students are given numerous chances to pass the test during their sophomore, junior, and senior years. Proficiency scores from the test are used as a determination of Adequate Yearly Progress (AYP)

NATIONAL ASSESSMENT OF EDUCATIONAL PROGRESS (NAEP)

The National Assessment of Educational Progress is a nationally representative assessment of what America's students know and can do in various subject areas. Assessments are conducted periodically in mathematics, reading, science, writing, the arts, civics, economics, geography, and U.S. history. Student scores for reading and mathematics are reported as performance levels (i.e., basic, proficient, and advanced) and the participation of students with disabilities (SD) and English language learners (ELL) is reported based on three levels (identified, excluded, and assessed).

In the tables below, only a sample group of California's schools and districts participate in the NAEP testing cycle. Therefore, students in any particular school or district may not be included in these results. The NAEP reflects state test results and is not reflective of either Centinela Valley Union High School District or Lloyde High School. Detailed information regarding the NAEP results for each grade, performance level, and participation rate can be found on the National Assessment of Educational Progress Web page at <http://nces.ed.gov/nationsreportcard/>.

Note: Comparisons of student performance on the NAEP and student performance on the Standardized Testing and Reporting (STAR) Program assessments cannot be made without an understanding of the key differences between the two assessment programs. Additionally, the NAEP only provides state test results for grades four and eight. The California Standards Tests (CSTs) are based on a different set of standards than the NAEP assessments. Information on the differences between NAEP and CST can be found on the CDE National Assessment of Educational Progress (NAEP) Web page at <http://www.cde.ca.gov/ta/tg/nr/>.

*To maintain confidentiality, scores are not disclosed when less than 10 students are tested.

ALTERNATIVE SCHOOL ACCOUNTABILITY MODEL

Schools that cannot participate in the API due to student population size may apply to participate in the Alternative School Accountability Model (ASAM). Lloyd High School has adopted ASAM which is based on the results of standardized tests and other state board- and district-approved performance indicators. Alternative schools, like all schools, must seek to meet state standards of learning and achievement. Schools serving a majority of students who are at high risk for behavioral or educational failure, expelled or under disciplinary sanction, wards of the court, pregnant and/or parenting, or recovered dropouts must also meet the challenge of addressing personal and social issues that confront students and interfere with their abilities to reach grade level standards. ASAM accurately reflects the growth of students enrolled in alternative schools based on multiple indicators of progress including academic performance as well as other aspects of growth.

Lloyd High School's performance indicators used to evaluate progress are (1) Student Behavior (the percentage of long-term students who were recommended for suspensions or expulsion), (2) Student Persistence (the percentage of long-term students that did not drop out during the reporting year), and (3) High School Graduation (percent of long-term students who received a high school diploma). The ASAM table in this report illustrates the actual performance rates of Lloyd High School's students in each category and corresponding performance rating. A "Commendable" or "Sufficient" performance rating indicates a school met or exceeded expectations. The third level, "Growth Plan", identifies performance that requires improvement that most schools should be able to make in a reasonable amount of time. Schools performing at the lowest level, "Immediate Action", are expected to apply extraordinary measures to ensure improvement on the indicator. (Note: "Long-term students" is defined by the state for ASAM reporting purposes as the total number of students continuously enrolled for 90 consecutive instructional days.) For more information on ASAM, visit the state's website at www.cde.ca.gov/ta/ac/am/.

Alternative School Accountability Model (ASAM)		
Performance Indicators	07-08 Actual Performance Rate	Performance Standard Achieved
Student Behavior	17.2	Sufficient
Student Persistence	61	Growth Plan
High School Graduation	88.1	Sufficient

ACADEMIC PERFORMANCE INDEX

The state Academic Performance Index (API) was launched by the California Department of Education in 1999 to measure the performance and progress of schools based on STAR and CAHSEE testing results. (Note: CAHSEE is the California High School Exit Exam administered to students in grades 10-12 as part of the state's graduation

requirements.) The API is used to develop annual schoolwide performance growth targets for future academic improvement. Due to its small population and unique demographics, Lloyd High School participates in the Alternative School Accountability Model (ASAM) as its measurement tool to determine schoolwide growth in academic proficiency. More information on the ASAM is provided in the previous subsection of this report.

PHYSICAL FITNESS

In the spring of each year, Lloyd High School is required by the state to administer a physical fitness test to all students in the ninth grade. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's website <http://www.cde.ca.gov/ta/tg/pf/>.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2008-09			
Grade Tested	Number of Standards Met:		
	4 of 6	5 of 6	6 of 6
Ninth	28.6%	19.6%	8.9%

NO CHILD LEFT BEHIND (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2008-09, Lloyd High School qualified for Targeted Assistance funding and is therefore required to comply with program mandates. Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals.

California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website <http://www.cde.ca.gov/ta/ac/ay/>.

SCHOOL FACILITIES & SAFETY

FACILITIES PROFILE

Lloyde High School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed circa 1998. Monthly safety inspections and ongoing maintenance ensures school facilities are kept safe, in good working condition, and provide adequate space for students and staff. School buildings and classrooms are arranged in a triangle pattern. All classrooms have windows that overlook the central quad area to enhance supervision and safety of students.

Campus Description	
Year Built	1998
	Qty.
# of Permanent Classrooms	0
# of Portable Classrooms	13
# of Restrooms (student use)	2 sets
Computer Lab	1
Multipurpose Room	1
Staff Lounge/Teacher Work Room	1

SUPERVISION & SAFETY

All staff share in the supervision of students throughout the day. As students arrive on campus each morning through a single entrance, the security guard monitors behavior and screens students for prohibited items. During the lunch period, the security guard is responsible for monitoring students in the meal and quad areas. When students are dismissed at the end of the day, the principal, counselors and security guard supervise students to ensure a safe and orderly departure.

Campus facilities are surrounded by secure perimeter fencing. All parents and visitors are required to check in at the school office upon arrival, obtain and wear a visitor's badge, and then return to the school office upon departure.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Lloyde High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most current safety plan was reviewed, updated, and shared with school staff in March 2009.

FACILITIES MAINTENANCE

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic (web-based) work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of Lloyde High School's repairs and maintenance projects are performed by the school's day custodians. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation.

One day custodian is assigned to Lloyde High School for routine maintenance, daily custodial duties, and special events preparations. Principal Ed Madrid and the custodian communicate daily regarding campus

School Facility Good Repair Status			
Item Inspected	Repair Status		
Most Recent Inspection: December 16, 2009	Good	Fair	Poor
	Repair Needed and Action Taken or Planned		
Systems		✓

Restrooms/Fountains			✓
Safety		✓	
Structural	✓		
External	✓		
Overall Summary	Fair: The school is not in good repair. Some deficiencies noted are critical and/or widespread. Repairs and/or additional maintenance are necessary in several areas of the school site.		

cleaning needs and safety concerns. The day custodians are responsible for setting up the cafeteria for meals and activities, keeping restrooms clean and stocked, removing debris and emptying trash receptacles, and addressing minor repairs and maintenance issues. The day custodian checks restrooms regularly as a proactive measure in keeping facilities fully stocked, safe, and sanitary.

School safety and cleanliness are the custodian's highest priority and strongly emphasized as a component of their daily routines. The custodian receives training from department supervisors and supply vendors regarding proper cleaning methods, use of chemicals, and use of equipment. The district provides appropriate equipment and supplies to maintain a clean, healthy environment.

The day custodian inspects facilities routinely for safety hazards, graffiti, and other conditions that require immediate removal or correction. On an annual basis, schools are required by the state to perform a comprehensive inspection and report those findings to the school community. The most recent inspection for Lloyde High School took place on December 16, 2009. The School Facility Good Repair Status table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During the 2008-09 school year, 100% of restrooms were fully operational and available to students at all times.

DEFERRED MAINTENANCE

Centinela Valley Union High School District participates in the State School Deferred Maintenance Program which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2008-09 school year, Lloyde High School did not receive deferred maintenance funds campus upkeep projects.

CLASSROOM ENVIRONMENT

DISCIPLINE & CLIMATE FOR LEARNING

All staff believe that a safe learning environment is an effective learning environment. All new students are required to attend a pre-enrollment conference with their parents and the principal to discuss school programs and expectations. During a student's first week on campus, they participate in a one-week comprehensive orientation to aide in the transition to the new environment.

At the beginning of the school year, school rules, district policies, and academic expectations are outlined in the student handbook. Teachers have established individual classroom behavior management and incentive programs. School rules are on display in each classroom. Throughout the year, teachers address unacceptable trends in behavior and remind students to conduct themselves in a safe, responsible, and respectful manner.

Progressive discipline begins in the classroom when students are disruptive or demonstrating poor citizenship. The behavior improvement process involves the student, teacher, parent, and administrators. Students continuing to have difficulty with their behavior are referred to the principal for further intervention measures, taking into consideration past behavior trends. Misbehavior is not tolerated and is dealt with firmly, consistently, and fairly to the extent necessary to ensure a safe and positive learning environment in the classroom and on campus.

Students who become 18 years of age (while enrolled) and have not graduated must sign a contract and commit to making adequate progress if they would like to remain at Lloyde High school. Student progress is reviewed monthly. Only those students who have maintained positive attendance records, work standards, and behavior are eligible to remain and complete their education. Students who are denied enrollment may complete their education at the district's adult school.

Suspensions & Expulsions

	Lloyde High		
	06-07	07-08	08-09
Suspensions (#)	147	133	105
Suspensions (%)	53.07%	54.29%	45.45%
Expulsions (#)	3	1	1
Expulsions (%)	1.08%	0.41%	0.43%
	CVUHSD		
	06-07	07-08	08-09
Suspensions (#)	1486	2106	932
Suspensions (%)	20.04%	28.10%	12.71%
Expulsions (#)	46	74	53
Expulsions (%)	0.62%	0.99%	0.72%

This table illustrates the total cases (not number of days) of suspensions and expulsions, and includes students with multiple instances of suspension. For example, a student suspended in one month for two days and then suspended a month later for three days is counted as two cases of suspension.

STUDENT RECOGNITION

All staff embrace the opportunity to recognize and reward students for being good citizens, maintaining outstanding academic effort, and following school rules. Students have many opportunities to earn Student of the Month and Kiwanis Student of the Month awards.

EXTRACURRICULAR & ENRICHMENT ACTIVITIES

Students are provided a variety of avenues to explore their personal interests and talents while developing their academic skills outside the classroom environment. Lloyde High School sponsors many activities and special presentations focused on work- and college-related topics. Guest speakers visit the campus to deliver motivational presentations addressing gangs, violence, drug abuse, and planned parenthood. Prominent community representatives and local business owners conduct workshops at Lloyde High School's annual Career Fair Day. Student Council members plan and sponsor fun lunchtime activities.

TEACHING LOAD DISTRIBUTION

The Teaching Load Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

Teaching Load Distribution Departmentalized Instruction

Subject	2006-07			
	Avg. Class Size	Number of Classrooms

Social Science	17.3	11	4	

DROPOUTS

Lloyde High School's teachers and administrative staff are skilled in working with students at risk of dropping out of school. During staff meetings, teachers and school administrators review student behavior and performance to develop strategies aimed at eliminating the barriers interfering with the learning process. Staff training throughout the year equips teachers with the skills to mentor students and necessary information to identify gang-related issues (colors, gestures, clothing, etc.). A total of 43 dropouts were recorded for the 2007-08 school year.

In the following Dropout & Graduation Rates table, 2007-08 data are most current information available since state certification/release dates for dropout data occur too late for inclusion in this report. 2006-07 was the first year that dropout rates were derived from actual student-level data reported to the state by the school district. For the 2005-06 school year, dropout rates were calculated using the one-year rate formula: adjusted grades 9-12 dropouts/grades 9-12 enrollment*100. Detailed information about dropout rates and graduation rates can be found on the DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

Dropout & Graduation Rates

	Lloyde High		
	05-06	06-07	07-08
Dropout Rate (%)	21.8	22.4	17.6
Graduation Rate (%)	87.9	85.7	92.7
	CVUHSD		
	05-06	06-07	07-08
Dropout Rate (%)	4.5	5.6	5.8
Graduation Rate (%)	66.4	73.4	66.8
	California		
	05-06	06-07	07-08
Dropout Rate (%)	3.5	4.4	3.9
Graduation Rate (%)	83.4	80.6	80.2

Behavioral and academic intervention strategies provide the support and motivation some students require to earn their diploma. Counseling, tutoring, parent conferences, independent study, concurrent enrollment in El Camino College, concurrent enrollment in adult education or community college classes, and regional occupational programs are available to assist those students having difficulty with subject area content. School staff may collaborate with local law enforcement or conduct parent meetings to discuss unacceptable behavior, relative consequences, and positive solutions for at-risk students. Alternative methods of acquiring a diploma are available through the district's adult school for those students who have been unsuccessful in the traditional schools or have exhausted their opportunities to remain at Lloyde High School. The following table illustrates the percentage of students who graduated from Lloyde High School having met both CAHSEE exam requirements and district graduation requirements.

Percentage of Students Passing CAHSEE & Meeting District Graduation Requirements* 2007-08**

Lloyde High	CVUHSD	California
100%	58%	80%

CURRICULUM & INSTRUCTION

STAFF DEVELOPMENT

All curriculum and instructional improvement activities at Centinela Valley Union High School District are aligned to the California State Content Standards and Frameworks. Staff development is selected and identified based upon student assessment results, state content standards, and professional development staff surveys. The district's Professional Development Steering Committee, Professional Development Instructional Development Coach, and Educational Services Department staff work as a team to identify areas of need and deliver innovative training programs to support the district's efforts to increase student performance levels.

Staff Development Days Three-Year Trend

2006-07	2007-08	2008-09
*	*	3

*Professional development activities took place throughout the year on early release days.

During the 2008-09 school year, the district offered three professional development days for teaching staff. Topics of training sessions included:

- Action Learning Systems Benchmarks for Math, Social Studies, Math, Science, Language Arts
- Interventions
- EDGE Training
- Writing Across the Curriculum
- CAHSEE Prep Training
- Compliance and Best Practices for Physical Education
- Pacing Plans and Benchmark Revisions
- Practical Strategies for the Classroom
- Working with Content Curriculum

All supplemental staff development activities at Lloyde High School are focused on increasing student learning and proficiency. Site-based training is held after school twice each semester. During the 2008-09 school year, training activities addressed:

- Benchmark testing
- Test preparation strategies for the CAHSEE
- Data analysis within each department.
- Raising standards and expectations
- Alignment of curriculum to state standards
- Language arts and math curricula

Centinela Valley Union High School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year and generally focus on curriculum, teaching strategies, and methodologies. During the 2008-09 school year, instructional staff were offered the following workshops:

- Overview of the English/Language Arts Curriculum
- Leadership Training for Administrators
- Reading Institute for Academic Performance
- Action Learning Administrative Leadership Academy
- Technology
- Studio
- Read 180
- SB 472 - English/Language Arts
- Classroom Management

New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. Centinela Valley Union High School

District's new teacher programs include BTSA and the Initial Teacher Series, which includes once-weekly professional development workshops held over an eight-week period. The BTSA Induction Program (Beginning Teacher Support and Assessment) is a state-approved program that offers comprehensive support and training for new teachers with a preliminary credential; after successful completion of the two-year BTSA training, teachers may apply for their clear teaching credential. All program participants are assigned to a Support Provider (mentor teacher) for individualized support and guidance.

The New Teacher Summer Institute is held over a two-week period (before the school year starts) for teachers who are new to the district. Sessions focus on foundational items such as the California Standards for the Teaching Profession, district policies, classroom management, curriculum, and district/site procedures. Training activities are led by the district's Instructional Coaches and National Board Certified Teachers.

To support veteran teachers as well as new teachers to the district, Centinela Valley Union High School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Centinela Valley Union High School District recently initiated its new Staff Mentoring Program. Eight highly qualified experienced teachers work with assigned teachers who are new to the district. Mentoring and support is provided in the teacher's assigned subject area of teaching.

Staff members are encouraged to attend professional workshops offered by the district, professional organizations, or the county office of education. Substitute teachers are invited to attend an annual orientation to better serve the students of the district. Instructional aides are invited to one district-sponsored staff development day to gain insight and understanding of the current curriculum. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives.

SCHOOL LEADERSHIP

Leadership is a responsibility shared among the principal, school staff, and parents. Principal Ed Madrid is responsible for the day-to-day operations of the school and overall instructional program. The principal and teaching staff work closely as a collaborative body to meet the demands of an effective alternative education program. Formal staff meetings are held once a month to address both curriculum and operational concerns as well as student performance.

The School Site Council (SSC) is comprised of the principal, teachers, classified staff and parents. The SSC meets as needed throughout the year to assist in the decision-making process as well as take an advisory role in evaluating school programs, services for underachieving students, and progress in meeting school goals. Team members serve as a liaison between the school and community and are responsible for approving the annual budget, school site plan, and school safety plan.

INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Centinela Valley Union High School District are aligned to the California Content Standards and Frameworks. Instructional materials for core content areas are approved by the district's Board of Education. The

district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

On November 10, 2009, the Centinela Valley Union High School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted the Resolution No. 09-10/007 which certifies as required by Education Code §60119 that (1) sufficient textbooks and instructional materials have been provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and context of the curriculum frameworks in the following subjects: history/social science, mathematics, reading/language arts, and science, (2) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, (3) laboratory equipment was available for science laboratory classes offered in grades 9-12, inclusive, and (4) for students in grades 9-12, the instructional materials were adopted by the local governing board following district review of the materials and their alignment with state content standards as required by CCR, Title 5, Section 9531.

District Adopted Textbooks	
Subject & Year Adopted	Publisher/Series
Math	
2008	Holt, Rinehart Winston; <i>Algebra 1 Interactions</i>
2009	Pearson Prentice Hall; <i>California Algebra I</i>
2005	McDougal Littell; <i>Algebra I</i>
2005	McDougal Littell; <i>Algebra II</i>
2005	McDougal Littell; <i>Geometry</i>
Language Arts	
2004	Hampton Brown; <i>Highpoint</i>
2008	Hampton Brown; <i>Edge</i>
2005	McDougal Littell; <i>The Language of Literature</i>
Science	
2005	Prentice Hall; <i>Biology</i>
2005	Prentice Hall; <i>Prentice Hall Chemistry</i>
2007	Prentice Hall; <i>Earth Science</i>
2005	Prentice Hall; <i>Conceptual Physical Science</i>
Social Science	
2008	Prentice Hall; <i>Magruder's American Government</i>
2006	Thomson Learning; <i>Contemporary Economics</i>
2006	McDougal Littell; <i>The Americans</i>
2005	McDougal Littell; <i>Modern World History - Patterns of Interaction</i>
Foreign Language	
2006	Glencoe McGraw Hill; <i>Buen Viaje!</i>
2008	Holt, Rinehart Winston; <i>Nuevas Vistas</i>
2008	Holt, Rinehart Winston; <i>Allez, Viens!</i>

In addition to the core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for its visual/performing arts curricula. During the 2009-10 school year, Centinela Valley Union High School District provided all students enrolled in a visual/performing arts class with their own textbook or supplemental materials to use in class and to take home. These materials comply with the state's content standards and curriculum frameworks.

SPECIALIZED INSTRUCTION

All curriculum and instruction is aligned to the California State Content Standards and Frameworks approved by the State Board of Education. Every child receives a rigorous, well-balanced standards-aligned curriculum. Lloyd High School structures its course offerings so that all students receive instruction appropriate to their learning level. To ensure the success of every student,

teachers use a variety of instructional techniques using research-based instructional materials and strategies.

SPECIAL EDUCATION

Special education students are mainstreamed into the general education classroom based upon their IEP (Individual Education Plan) and provided instruction in the least restrictive environment. Two special education teachers and two special education instructional aides support two half-day, self-contained special day classes. Resource specialist staff provide both full period and individual support in the general education environment. Each student is provided instruction based upon their IEP, which is reviewed and updated annually by the school's IEP teams. The IEP ensures students with disabilities have equal access to core curriculum and educational opportunities and is designed to coordinate specially-designed instruction based upon individual academic, social, and/or behavioral needs.

AT RISK INTERVENTIONS

Lloyd High School offers unique programs to support students not meeting grade level proficiency standards or district graduation requirements. Intervention and remediation programs are provided to those students based upon their specific needs. Analyzing and identifying students who need additional academic assistance is a top priority among school administration, counselors, teachers, and special education staff. Teachers use student assessment results, report card grades, CAHSEE results, and classroom performance on end-of-unit tests to evaluate student progress. The Student Study Team is comprised of school administrators, teachers, and parents who work together to identify individualized intervention strategies for and monitor progress of students having difficulty with academic or social development. Identified students are then placed in a supplemental program that fits their academic needs and learning levels.

- All students meet with a counselor upon enrollment and frequently thereafter to develop/monitor their personal "contract" which defines their responsibilities and objectives towards meeting graduation requirements. Each student must complete a class contract which is the culmination of 60 hours of instruction (including exams and special projects) in addition to a final project. The contract is a "road map" of the goals for each student based upon what they individually hope to achieve upon graduation.

- Grades earned in each of Lloyd High School's courses are tied to a point system - 1000 is equivalent to an A, 900 is a B, and 800 is a C. Students are bound by their class contract to meet established goals and complete assignments to achieve designated point values.

- Students have access to free tutoring services in accordance with the federal Title I grant. Parents and their students should contact the principal or their teacher to obtain more information and eligibility requirements.

- CAHSEE prep activities and test taking strategies are offered as an elective course to students experiencing difficulty with their language arts or math coursework. The course is offered for an eight-week period prior to the administration of the CAHSEE exam.

COLLEGE & WORK READINESS

COLLEGE PREPARATION COURSES

Upon enrollment and during regular meetings with their counselor, students review their progress in meeting personal goals and graduation requirements. Students are encouraged to take required courses if they plan on attending a four-year college or university. Lloyd High School offers only those classes needed to obtain a diploma from Centinela Valley Union High School District. Students may enroll in the local community college to fulfill university level entrance requirements.

UNIVERSITY OF CALIFORNIA

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements please visit the University of California Web site at <http://www.universityofcalifornia.edu/admissions/general.html>.

CALIFORNIA STATE UNIVERSITY

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University Web site at <http://www.calstate.edu/admission/>.

ADVANCED PLACEMENT

Advanced placement (AP) programs give students an opportunity to take college-level courses and exams while still in high school. Students who receive a 3, 4, or 5 on their final AP exams qualify for college credit at most of the nation's colleges. Lloyd High School does not offer advanced placement courses. Students are encouraged to concurrently enroll in the community college for intensive course work.

WORKFORCE PREPARATION

Lloyd High School's vocational education courses, work experience, regional occupational programs, and workability programs offer many opportunities for students to get a head start on their future. Most career education courses comply with state-adopted content standards and integrated into the student's four-year academic plan as elective courses. Individual student assessment of work readiness skills takes place through end-of-course exams and course-required projects.

Work experience students are partnered with community organizations and employers that provide on-the-job training and mentoring for students 16 years and older. Work experience students receive guidance and supervision designed to ensure maximum educational benefit from part-time job placement. Lloyd High School has established a partnership with Northrup Grumman's robotics/engineering program; students have access to job shadowing opportunities, internships, and scholarships.

Workability provides work experience opportunities outside the school day that meet the students' interests and aptitudes while providing real-world job experience prior to graduation. The program is available to all students with disabilities who have an Individualized Education Plan.

Regional Occupational Programs (ROP) are offered off campus through the Southern California Regional Occupational Center (SCROC). A variety of ROP courses are available to help prepare high school students (16 years and older) for entry-level employment, upgrading current job skills, or obtaining more advanced levels of education.

For more information on career technical programs, contact the school office, SCROC's website www.scroc.com, or the state's career technical website at <http://www.cde.ca.gov/ci/ct/>

PROFESSIONAL STAFF

TEACHER ASSIGNMENT

Lloyd High School recruits and employs the most qualified credentialed teachers. For the 2008-09 school year, the school employed eight fully credentialed teachers. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant". Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

The table below identifies the number of classrooms taught and not taught by NCLB compliant teachers. High poverty schools are defined as those schools with student participation of approximately 75% or more in the free and reduced price meals program. Low

poverty schools are those with student participation of approximately 25% or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

TEACHER EVALUATIONS

School and district administration believe that regular and comprehensive evaluations can help instructional staff improve their teaching skills and raise students' levels of achievement, as well as hold staff accountable for their performance. Evaluation procedures are outlined in the district's collective bargaining agreement and based upon the California Standards for the Teaching Profession.

Probationary/temporary teachers are formally evaluated once a year; permanent teachers are evaluated once every two years. Evaluations are conducted by the principal and associate principals who have been trained and certified for competency to perform teacher evaluations.

SUBSTITUTE TEACHERS

Lloyd High School does not experience any difficulties in obtaining a qualified substitute teacher to fill in for an absent teacher. The district makes every effort to select the most qualified substitute teacher for the respective day's assignment. During the 2008-09 school year, Centinela Valley Union High School District's pool of substitutes was comprised of 50 teachers, of which the majority are aspiring teachers proven to be effective in the high school environment. Applicants seeking a position as a substitute must have passed the CBEST (California Basic Educational Skills Test), possess a bachelor's degree, and hold a 30-Day Emergency Permit.

DISTRICT EXPENDITURES

SALARY & BUDGET COMPARISON

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state.

Salary Comparison 2007-08		
	CVUHSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$40,682	\$42,810
Mid-Range Teacher Salary	\$67,494	\$69,375
Highest Teacher Salary	\$85,721	\$89,104
Average Principal Salaries:		
High School	\$126,025	\$126,901
Superintendent Salary	\$158,840	\$198,563
Percentage of General Fund Expenditures For:		
Teacher Salaries	34.0%	37.3%
Administrative Salaries	5.7%	5.2%

EXPENDITURES PER STUDENT

For the 2007-08 school year, Centinela Valley Union High School District spent an average of \$8,357 of total general funds to educate each student (based on 2007-08 audited financial statements). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at <http://www.cde.ca.gov/ds/fd/ec/> and <http://www.cde.ca.gov/ds/fd/cs/>. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

Current Expense of Education per Pupil 2007-08					
Dollars Spent per Student					
Expenditures Per Pupil	Lloyde High	CVUHSD	% Difference - School and District	State Average for Districts of Same Size & Type	% Difference - School Site and State
Total Restricted and Unrestricted	*	*	-	N/A	N/A
Restricted (Supplemental)	*	*	-	N/A	N/A
Unrestricted (Basic)	*	*	-	\$5,512	-
Average Teacher Salary	*	\$61,333	-	\$68,332	-

*Expenditures data for the school site and the district were not available at the time this report was published.

In addition to general fund state funding, Centinela Valley Union High School District receives state and federal categorical funding for special programs. For the 2007-08 school year, the district received approximately \$2,840 per student in federal, state, and local aid for the following categorical, special education, and support programs:

- Arts and Music Block Grant
- CA High School Exit Examination (CAHSEE)
- California Instructional School Garden
- Career Technical Education Equipment and Supplies
- California Peer Assistance & Review Program for Teachers (CPARP)
- Department of Rehabilitation
- Discretionary Block Grant
- Economic Impact Aid (EIA)
- Gifted & Talented Education (GATE)
- High Priority School Grants Program
- Lottery: Instructional Materials
- Instructional Materials
- Parent/Teacher Involvement
- Partnership Academies Program
- Pupil Retention Block Grant
- Regional Occupation Center and Programs
- School and Library Improvement Block Grant
- School Safety & Violence Prevention, Grades 8-12
- Special Education
- School to Career Local Partnerships
- Staff Development
- Supplemental School Counseling Program
- Supplementary Programs
- Targeted Instructional Improvement Block Grant
- Teacher Recruitment/Incentives
- Title I, II, III, IV, V
- Tobacco Use Prevention Education
- Transportation Special Education
- Vocational Programs
- Williams Case Settlement
