Autumn Celebration

Last week was an amazing week! On Wednesday, the Candy Corn Bandit stole our candy corn and sent us on a school-wide hunt to find our candy. We learned about making predictions and using clues and we successfully found our candy corn! Whew!

Our Autumn Celebration last Friday was amazing! A huge THANK YOU to all of the parents who volunteered at the party and to those parents who made monetary donations to help with the cost of games, activities, crafts and prizes. The kids had a BLAST!

Because of your generous monetary donations, I was also able to purchase our owl pellets for our owl unit.

Our class is so incredibly fortunate to have such amazing parents, thank you for supporting our class and making learning fun for your student!

Spelling City

Exciting News! Thanks to our AMAZING PTO, our classroom now has the premium subscription to Spelling City! You can access Spelling City by visiting the website www.spellingcity.com OR by downloading the FREE app to any Apple, Android, and Kindle device.

Spelling City is a fun way to help students practice their weekly spelling words. I will post each week's spelling list on our classroom homepage for your child.

To help your child login to their premium membership, enter the username and password that was assigned to your student and sent home last week. Please let me know if you need this information sent home again.
