

Mrs. Davis & Ms. McClung's

## Classroom Newsletter

August 22<sup>nd</sup> – 26<sup>th</sup>

### Word Study/Spelling Words

#### Introduce Words Their Way

Routines/Procedures/Games/  
Sorts/Individual Assessments

(This is a practice week and we  
will have a practice test)

### Vocabulary Words:

whiz, squirm, rap, snap,  
likely, unlikely

### Language Arts

**Story:** Ms. Nelson Is Missing

**Focus:** Reading Community

**Writing:** Narrative-Small Moments

**Grammar:** Nouns/review

\*Read 20 minutes each night! Please have your child read  
aloud for at least 5 minutes/check comprehension by  
asking questions/discussion. Enjoy your time together  
reading.

### Social Studies:

### Introduce Maps & Globes Unit

### Math

Unit 1: Students will solve addition problems with 2-digit  
numbers, and find combinations of numbers that add to  
100. They will work on understanding the place value  
structure of 3-digit numbers as they solve problems.

### Science

We have been discussing the "Design  
Process" as well as having a Growth  
Mindset. Problem solving and  
determination are a must in the classroom  
so we will be applying our learning to  
many group activities and projects. We  
will soon begin a unit on living/nonliving.

### Upcoming Tests

Tuesday, August 23<sup>rd</sup>  
Math Global Scholar

### Upcoming Events

Crestline Sportswear Sale in the Cougar Corner - August 24-25
