Emoji legend:

-  I had a great day! I was on task, worked hard, was a kind friend, and followed classroom rules.
-  Some parts of the day were hard for me. I forgot some of the rules, but I got back on track!
-  I did not have a good day! It was hard for me to follow rules. I might have been unkind or was very disruptive in class. I will work hard tomorrow to make it a better day!
