GOOD NEWS

+ AP Calculus BC students had the chance to learn from college professors in Ms. Burns class this week. [Click here](#) to learn more about their experience.

+ 15 MBHS students are taking sign language as their world language class. [Click here](#) to read more about the class and how students are applying their knowledge in a meaningful way.

+ The MBJH Scholars' Bowl team has earned a spot at the state tournament. [Click here](#) to learn more about the team and their success so far.

PICTURE OF THE WEEK

Coach Jordan's Medical Rotations classes at MBHS visited Alabama Head Athletic Trainer, Jeff Allen, to learn more about sports medicine.

MBS Parents,

As we enter the first weekend of February, we want to take a moment and update you on our latest COVID data and some great things going on inside our school buildings. We're pleased to report that our COVID numbers are trending downward.

Today, we are monitoring 36 total positive COVID cases in our district as well as 20 individuals who have been designated as a close contact. We've seen 51 individuals be able to return to school this week because of the [isolation/quarantine guidelines](#). We're very encouraged by this decline in case numbers and ask that you continue to be vigilant to ensure a safe learning environment for our students and staff.

If your child feels sick, please consult your primary health care physician. If your child has tested positive or has come in close contact with a COVID positive individual, please reach out to your school nurse. The weekend call line number is 205-703-1298.

We hope to see this trend of fewer cases continue in the coming days and weeks. Please take a look at the 'Good News' section to read about some great things that have been going on inside our classrooms. Have a safe and wonderful weekend!

MARK YOUR CALENDARS:

The MBS Elementary School Track Meet, hosted by the Mtn. Brook City Schools Foundation, will be held April 13 (3rd and 5th grades) and April 14 (4th and 6th grades) in Spartan Stadium. More details in the coming weeks.
