- **Faith Affiliated:** Whether or not the institution is a private religious college.

How Much More Money Do College Grads Make?

More
Information

Largest advantage of going to college is that you'll be qualified for a better higher-paying job. You will make more money than a high school diploma.

2008- College Graduates Earn 84% More Than High School Grads, Study Says

Average differences between educational levels :

- High school drop outs: \$18,734
- High school graduates: \$27,915
- College grads (with a bachelor's degree): \$51,206
- Advanced degree holders: \$74,602

In 40 years high school diploma: \$1,116,600 and bachelor's degree: \$2,048,204.

Link In 1970, only 26 percent of middle-class workers had any kind of education beyond high school. Today, nearly 60 percent of all jobs in the U.S. economy require higher education.

Between 1973 and 2018, our projections show that jobs available for workers with postsecondary education are projected to increase from 28 percent to 63 percent of all occupations.

Bachelor's degrees granting by institutions in selected fields of study: 1998–99, 2003–04, and 2008–09

SOURCE: U.S. Department of Education, National Center for Education Statistics, 1998–99, 2003–04, and 2008–09 Integrated Postsecondary Education Data System, “Completions Survey” (IPEDS-C:98–99), and Fall 2004 and Fall 2009.

Degrees Awarded

- *In 2008–09, more than half of the 1.6 million bachelor's degrees awarded were in five fields:*
 1. *business (22 percent)*
 2. *social sciences and history (11 percent)*
 3. *health professions and related clinical sciences (8 percent)*
 4. *education (6 percent)*
 5. *psychology (6 percent).*

College Terms

Most college classes are 3 college credits.

One credit hour is given for attending one lecture hour of class each week for 15 weeks or equivalent.

Usually taking 4 classes would be considered a full-time student.

A full-time college student has at least 12 credits.

A 4-year degree is usually 80 credits.

College Terms

UC is the most difficult college to attend

Academic probation would be considered having a GPA below 2.0.

Campus is the area of the college which includes the library, lecture halls, etc.

College facts

The leaders of New College - Harvard College founded 1636 and chartered 1650. Degrees were awarded in 1642 and the school is Puritan religion.

It is located in Massachusetts Bay Colony

In addition to private colleges and universities, the U.S. also has a system of government funded, public universities

Public Universities were founded under the Morrill Land-Grant Colleges Act of 1862.

Ivy League

The term *Ivy League* has connotations of academic excellence, selectivity in admissions, and social elitism.

The **Ivy League** is an comprised of eight private institutions of higher education.

The eight institutions are Brown University, Columbia University, Cornell University, Dartmouth College, Harvard University, Princeton University, the University of Pennsylvania, and Yale University

The **Ivy League** is an comprised of eight private institutions of higher education. These universities are part of an athletic conference located in Northeastern United States.

Trade Schools

- There are many different careers that require a trade school education, from all kinds of hairdressing, cosmetology and beauty trades to aviation and auto mechanics, plumbing, electricians, carpenters, and sheet metal workers. Trade schools for specific areas such as flying, marine and air navigation and air traffic control also exist. You can also attend trade school to learn about many technological, culinary and healthcare skills. Trade schools sometimes have specific affiliation with trade unions or industries, or offer certain categories of apprenticeship.
