

Potential Boundary Changes to Balance Enrollment – Redlands Area Wingate / Broadway Virtual Stakeholder Meeting

Shannon Bingham
12/10/20

Process

- The Board of Education has requested that stakeholders consider relatively small, phased school boundary changes in a few areas
- Elementary Principals and faculty have been involved in feasibility and data awareness
- School Board will consider stakeholder input and make a decision in January
- Virtual parent meetings and a **survey** will help guide Board decision
- No decisions have been made
- Pandemic is impacting enrollment
 - (Down 3% State-wide)

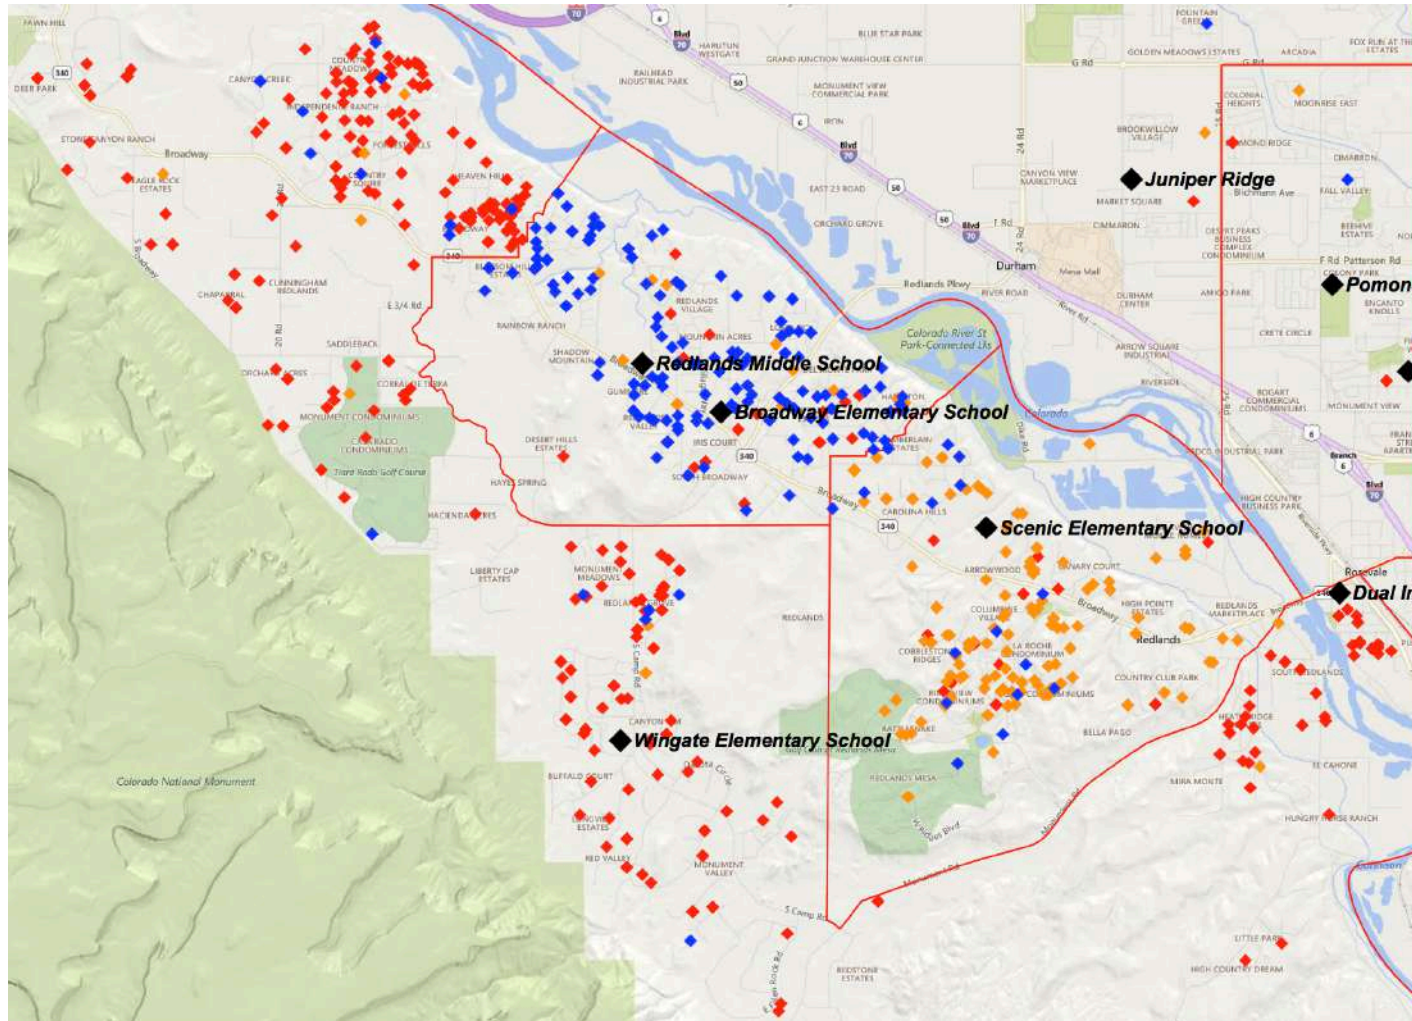

Potential Elementary Changes

- Wingate ES is growing rapidly and will exceed its capacity over the next five years
- Space exists in Broadway ES to accommodate some of this growth if minor boundary changes are made
- A neighborhood that currently has 51 Wingate students is proposed for change
- The current students are shown in order to illustrate the potential of the change over time.
- The change will be phased-in over time, so that the majority of the current students in the area affected will finish elementary school at Wingate

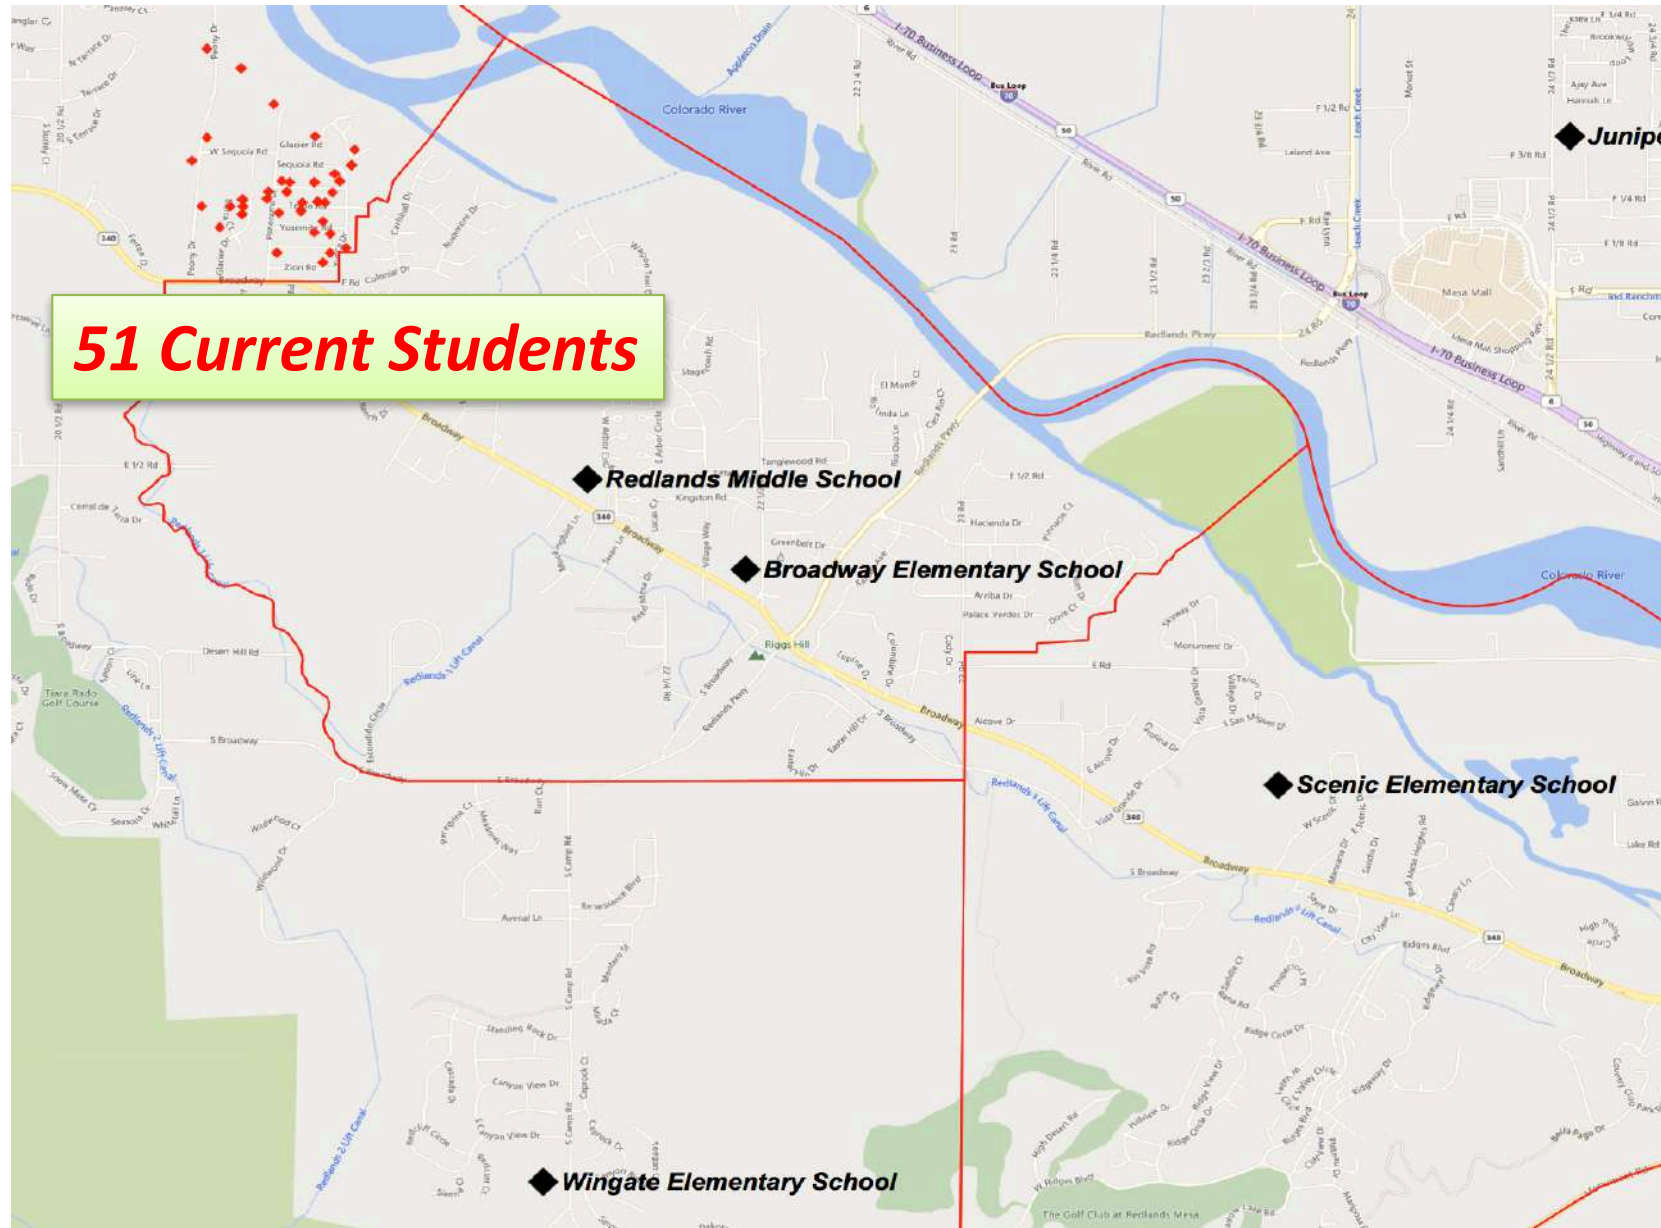

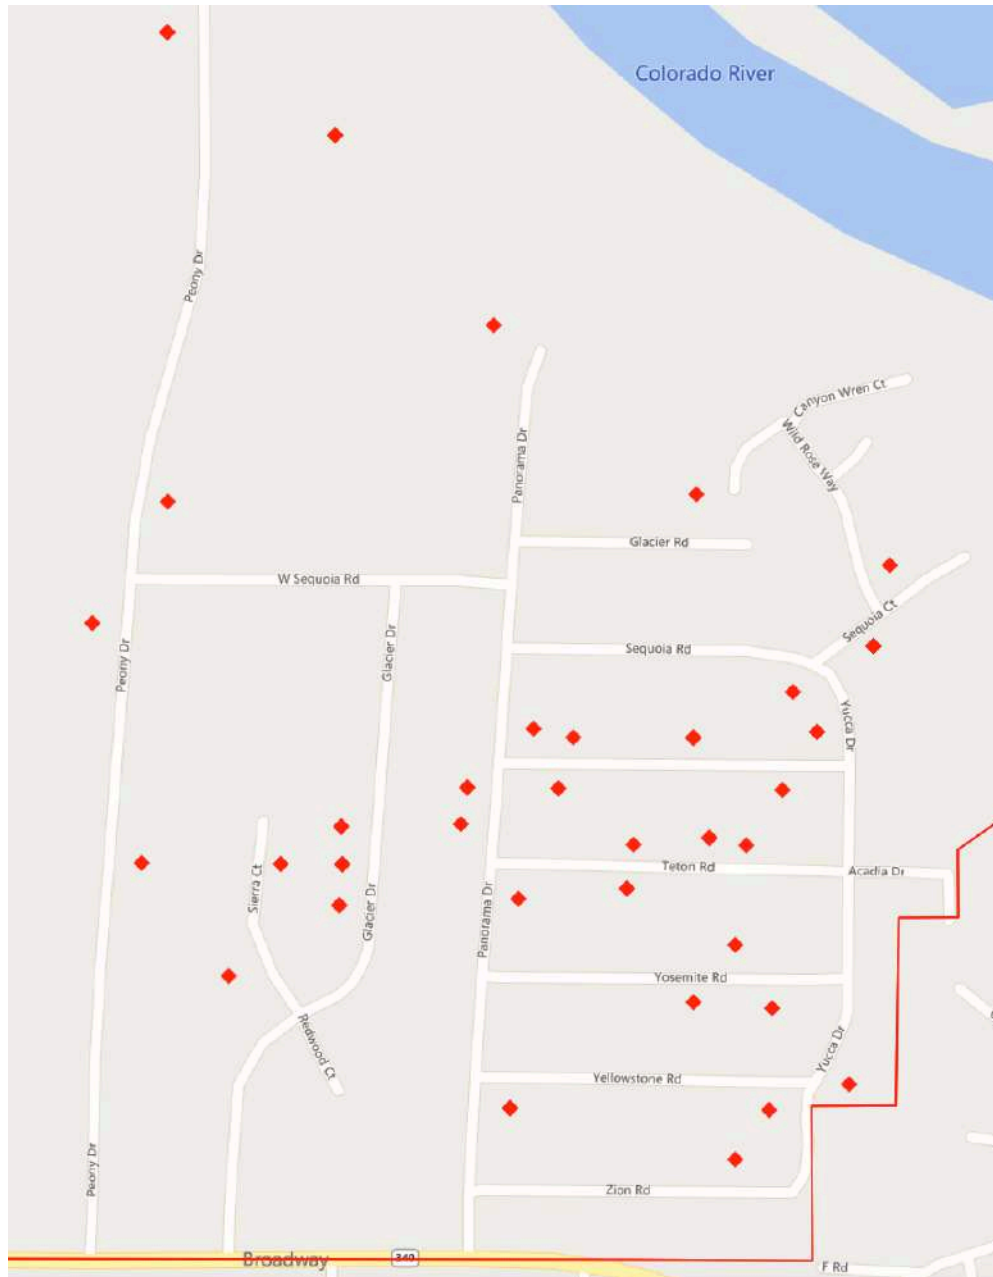

Redlands Area Elementary Student Distribution

Wingate Students in Red
Broadway Students in Blue
Scenic Students in Gold

Shift Area Description - Wingate to Broadway

Peony Dr.
W. Sequoia Rd.
Glacier Rd.
Panorama Dr.
Canyon Wren Ct.
Wild Rose Way
Sequoia Ct.
Yucca Dr.
Teton Rd.
Acadia Dr.
Sierra Ct.
Redwood Ct.
Yosemite Rd.
Yellowstone Rd.
Zion Rd.

Shift Area Streets

Gradual Change

- Phased change starting with next year's kindergarteners, new move-in's and families electing to change
- Gradual five-year transition
- School-of-choice and transfer options will be available where space exists

Next Steps

- On-line survey for parents, teachers and staff
- Board of Education action

Discussion / Questions

- Are you noticing housing growth in the area?
- Do you think we should manage school size with boundary changes or portables?
- Does the change make sense to you?
- Please complete the survey online.
