

Stock Sale Information and Forms

We will again make the Stock Sale Fundraiser available to students. With this fundraiser, students send letters to people who might purchase stock in them to help with the cost of their trip. This is a unique and fun way for friends and extended family to help our musicians.

Stock Information:

- Stock will sell at \$10.00 a share.
- When a person buys stock, each student will need to send their stockholder a stock certificate (a copy is in this packet or can be downloaded from the Simsbury Public Schools Music and Performing Arts Website), and a short letter of thanks.
- Upon returning from the trip, it is customary for students to send a picture of themselves on the trip as well as a final thank you letter.
- Stock holders should make their checks payable to parents and parents simply include the money raised in their regular payment to the travel agent. Students should keep the Stockholder Information Sheet so that they have names and addresses handy to send their thank you notes.
- The stock purchase form is for your records.

How to have a successful stock sale

- Make a list of potential family and friends to whom you will send a stock request
- Send or give each person a letter (sample letter is included in this form) and a stock purchase form (one is included in this letter and can be downloaded from the Simsbury Public Schools Music and Performing Arts website).
- As money comes in, send each stockholder a certificate and a thank you letter.
- Have stock holders make checks payable to the student's parents. Parents then include the money as part of their monthly payment.
- The Stock Fundraiser will run from now until the final payment.
- When you return from the trip, send your stock holders a picture of you in Europe and a thank you note.

Sample Letter for the Stock Sale

Date _____

Dear _____,

I am a member of the Connecticut Children's Chorus and we are taking a trip next July to France and Italy. This is a wonderful opportunity for our music ensembles to share our music with people outside our community and for all of us to experience, first hand, the culture of another country. I am hoping to be part of this event and that is why I am writing.

We are currently conducting a very unique fundraiser called a stock sale. I am asking if you would be willing to show your support of me by buying stock in me at \$10.00 a share. You can purchase one share or as many as you would like. All of the money that you send to purchase stock will go directly into my account and will help me reach my personal goal of going on the trip. In addition, I will send you a stock certificate for your records when you make a donation. Upon my return, I will send you a picture of me in Europe so that you can see how your money was invested.

Having the opportunity to travel to another country with my school musical ensemble is a once-in-a-lifetime event for me. I will be most appreciative of any support you can offer. Please fill out the enclosed form and send it back to me along with your check made out to the Hartt Community Division. My address is _____. If this is something that you do not feel comfortable doing, I certainly understand.

Thank you again for your support.

Sincerely,
