Mountain Lions, when we collaborate, we work together for a common purpose or goal. Collaboration teaches us to work together as a team and see the value that we each hold. When you collaborate, you are able to discover each other's strengths because we ALL know that we are stronger TOGETHER.

When you work with your friends, family and classmates it can also be fun and can work on your goals and strive to be one school, one family, one team! Let's COLLABORATE Mountain Lions and make this world a better place TOGETHER!
