They are great students. The Student Body President Demick Hatch introduced the theme for the year and reviewed the council's service based activities: Service Thursday Student Council would visit Ammon Elementary or Sandcreek Middle School to participate with the students at those schools; they provided needed help in the school's kitchen and with the school's custodial staff; raised over \$23,000 for the Adopt-a-family service project, helping up to 70 families within the school and community; increased positive cheering in student sections during gym events, etc. The students look forward to a Knight in the Park, talent show, prom and graduation.

VI. Action Items:

A. Supplemental & Plant/Facility Levy Renewal

Chairman Landers invited Superintendent Woolstenhulme, Guy Wangsgard, Eric Herringer and Nick Miller to introduce the resolution for the renewal of the levies for the May 18, 2021 election. Dr. Woolstenhulme stated the District will have a \$8.6M budget cut without the levy funding and explained the challenges ahead: negotiations for teacher contracts and benefits, reduced salaries for classified employees, reduction in force, added furlough days, extra curricular funding cut or eliminated, salary freezes, loss of PE and music programs, etc. He recommended to re-run the levies in the May 18, 2021 election as a renewal of

current amounts (\$5.8M Supplemental Levy for each year for two years and \$3.8M Plant/Facility Levy each year for up to 10 years) and not include an increase of funding. Guy Wangsgard stated that the proposed monies from the federal government are not guaranteed and should not be considered part of the next year's budget; federal funds are to be used for specific reasons, and not generally. It was proposed to add the words "up to" in the Supplemental Levy ballot language, similar to the Plant/Facility Levy verbiage. Discussion included efforts to increase voter turnout, educating the district employees, and improving communication with non-student patrons.

MOTION: Greg Calder moved to approve Supplemental Levy Renewal resolution as amended for the May 18, 2021 election. Paul Jenkins seconded. Motion carried.

MOTION: Paul Jenkins moved to approve Plant/Facility Levy Renewal resolution as presented for the May 18, 2021 election. Chad Dance seconded. Motion carried.
