Mountain Lions, the SEL word of the week is 'empathy'. Empathy is the ability to understand how someone else feels even though you haven't gone through the same situation.

You may not know what your classmates or teacher are going through but you can have patience with them. At Mauka Lani, we 'Choose Love' each day as we strive to be 'empathic' toward our friends, family and classmates when they are going through a tough time and they need a friend or shoulder to lean on.

WOW! Our Mountain Lions are getting ready to show their talent! We have 45 acts signed up. Please continue to practice and we will notify those students and their families about the audition schedule. This is a virtual show and will be taped to show before the end of the school year.
