

ELA -

This week in ELA, students will continue to prepare for the Georgia Milestones Assessment by reviewing narrative writing and group activities that will target each students' individual weaknesses. Our homework for the week is "I Am Not An Inmate ... I Am A Man. And I Have Potential" in CommonLit and R.4 (Commonly Confused Words" in IXL. The standards for this week are as follows: RL1, RL2, RL3, RL4, RL5, RI1, RI2, RI3, RI4, W3.

Math (Regular) -

This week in Math we will complete our unit on Statistics addressing the following standard MGSE7.SP.4, SP.7, and SP.8. We will also be reviewing for the Milestones that begin on April 20. Please check Infinite Campus for grades and missing assignments.

Math (Enhanced) -

This week in Enhanced Math we will continue our unit on linear equations interpreting graphs and systems of equations addressing the following standard MGSE8.F.5 and MGSE.SP.1 and SP.3. We will also be reviewing for the Milestones that begin on April 20. Please check Infinite Campus for grades and missing assignments.

Science -

This week in Science - S7L5a, b, and c - We hope you had a great Spring Break! Our Evolution Unit is taking a little longer than planned, so we will be spending more time on it this week. When finished, we will be moving on to Classification! Have a great week.

Social Studies -

We will continue our study of the various religious beliefs in Southern and Eastern Asia **SS7G12**. The students will learn about a world known philosophy that originated in Southeast Asia. Encourage your student to review vocabulary and notes daily.
