Please complete the Student Transfer form located on our website and in our office if your child will not be attending Mauka Lani Elementary School next year or 5th grader will not attend Honouliuli Middle School.

Stay tuned for our top Boosterthon student special event happening on campus on our last day of school, May 26th, which is also an early release day. HINT:

The SEL word of the week is 'Integrity'. Integrity in school means being a mature student whom teachers and classmates can trust to do the right thing at all times. Some examples of a way to show integrity are; holding the door open for others before you enter, waving at a friend as you pass, showing up early or on time when meeting a friend or offering help to someone who needs it. Mountain Lions, let's be boys and girls that have the integrity to do the right thing and help others as we move to a world where we are 'choosing love' everyday.
