

## CAREER PATHWAYS ARTICULATION AGREEMENT

In a continuing effort towards “Shaping New Possibilities for Student Success;” and in the spirit of cooperation, collaboration and communication; and ultimately, to provide career pathway opportunities for students in secondary and post-secondary career and technical education programs, State College of Florida, Manatee-Sarasota (SCF) in partnership with the Manatee and Sarasota County School Districts agrees to provide at no cost to eligible students college credit for the Associate in Science (AS)/Associate in Applied Science (AAS) Degree programs listed in the charts beginning on page three of this document. Note: Student Eligibility includes a “C” OR better on secondary/postsecondary course OR program, a passing score on the industry certification and/or other assessment as indicated on the associated career pathway template and placement scores on the College Placement Test (CPT) at a level that certifies that students can matriculate into college level coursework.

### CONDITIONS OF AGREEMENT:

1. Student must enroll and be admitted to State College of Florida, Manatee-Sarasota (SCF) in the Program of Study leading to the Associate of Science (AS)/Associate of Applied Science (AAS) Degree in the degree program as indicated in the chart below within two (2) calendar years from either graduation from high school OR completion of the postsecondary adult vocational program.
2. To apply for SCF credit under this Agreement, the student must meet the eligibility requirement iterated above and have official transcripts sent to SCF showing work previously completed at Manatee County OR Sarasota County Schools.
3. Course curriculum frameworks showing student performance outcomes and standards will be available in the Tech Prep offices at SCF, Manatee County Schools and Sarasota County Schools.
4. The student makes application for Career Pathways/CEL (Credit for Experiential Learning) with the SCF Director of Career and Technical Education for the classes stated above. All CEL fees will be waived.
5. The articulated credit will be placed on the student’s SCF transcript upon completion of the conditions listed in items 1, 2 and 4.

### REVIEW PROCESS:

This articulation agreement will be reviewed every two years unless superseded by a statewide articulation agreement.

If curricular OR programmatic modifications are made, OR new programs/or academies are added, then the Articulation Agreement is to be updated annually.

Once initially established and appropriate approvals are secured, the Articulation Agreement shall remain in effect until revised OR revoked. Sixty (60) days written notice must be given by either party to revoke an Articulation Agreement.
