**SEL word of the Week:**

Perseverance- not giving up and hanging in there until you've completed the task you've started. Mrs.

Agustin's 3rd graders said, perseverance is, "Never giving up even if something

lets you down. When you fall don't give up. When you feel like giving up, just keep trying. Try your best, and you'll get better."

Save the date for our Panda Express fundraiser, Thursday, August 18th.

Some of our 5th graders signed up to go on a trip to Washington DC, funds from this fundraiser will help them with their trip expenses. Flyers with ordering information will be sent home.

Thank you to all that have returned Back-To-School forms. If you have yet to return your student's forms please do so ASAP.
