SEL word of the Week: Motivation. Motivation is the reasons why you are doing something, or the level of desire you have to do something. Thank Mrs. Agustin's 3rd graders who said, "Motivation is what makes you do the things you do. When you want to go learn something new. Something that inspires you to do something."

## ***COURAGE***

For the first quarter our students are challenged to spell Courage. Classes earn a letter for everyday all students are present in class. When classes have earned all the letters of courage, the class is rewarded with a treat from our wonderful school counselor Mrs. Castillo.

Shout out to Mrs. Souza's & Ms. Schwartz's 4th graders for being the first classes to spell COURAGE!

We can't wait to see all of your smiling faces when your class spells out "Courage".
