

Annual Title I Meeting

Stevenson Middle School
SY 2023 - 24

How Title I works

- Schools qualify for Title I in the fall prior to the school year. We qualified for Title I for SY2023-24 based on applications received in the fall of 2022.
- Stevenson receives Title I funds due to the high percentage of our students who qualify for the Free or Reduced lunch program.
- Funds are received throughout the fall of SY2023-24.

Title I Requirements

Each school who receives Title I funds must meet a variety of requirements.

- Complete a Comprehensive Needs Assessment
- Create an Academic Plan
- Create a budget for all Title I funds, tying expenditures to the Academic Plan and Comprehensive Needs Assessment

How do we use our Title I funds?

- Curriculum (science, math, reading, and social studies)
- Professional Development for teachers
- Technology
- Family Engagement

Parent Rights

- You have the right to request the qualifications of each teacher who teaches your child/children.
- You must be notified if your child is taught by a non-certificated teacher for four or more weeks.
- You shall be informed of your child's performance on assessments such as the science HSA and reading/math SBA.
- You have the right to be involved and request regular meetings in which you may express your thoughts and concerns.
