Announcements

- Grades are updated weekly in Infinite Campus. If you see a **59** that means that the student did not turn the assignment in and it is missing.
- If your student is absent, please email the excuse to:
NHEattendance@henry.k12.ga.us
- **Teachers and students will be using data to remediate and accelerate standards from last semester.**

What Are We Learning?

Math

NF.7a and NF.7b Division of unit fractions by whole numbers and whole numbers by unit fractions.

Reading

RL6: Describe how a narrator's or speaker's point of view influences how events are described. RL9: Compare and contrast stories in the same genre (e.g., mysteries and adventure stories) on their approaches to similar themes and topics. W1: Write opinion pieces on topics or texts, supporting a point of view with reasons. a. Introduce a topic or text clearly, state an opinion, and create an organizational structure in which ideas are logically grouped to support the writer's purpose. b. Provide logically ordered reasons that are supported by facts and details. L5: Demonstrate understanding of figurative language, word relationships, and nuances in word meanings. b. Recognize and explain the meaning of common idioms, adages, and proverbs.

Writing

ELAGSEW1: Write opinion pieces on topics or texts, supporting a point of view with reasons.

Science

S5E1. Obtain, evaluate, and communicate information to identify surface features on the Earth caused by constructive and/or destructive processes.

Social Studies

SS5H7 Trace important developments in America from 1975 to 2001.

At Home

Help your child practice their multiplication and division facts each week. You can have them get on Compass or do flashcards. In addition, students can play interactive games using this site:

https://www.mathplayground.com/index_multiplication_division.html
