What Are We Learning?

Math
 • I can analyze properties of two-dimensional figures in order to place them into a hierarchy. I can classify two-dimensional figures into categories and/or sub-categories based on their attributes.

Reading
 • I can determine the meaning of general academic and domain-specific words and phrases in a text relevant to a grade 5 topic or subject area. I can explain how an author uses reasons and evidence to support points in a text, identifying which reasons and evidence supports which points.

Writing
 • I can write informative/explanatory texts to examine a topic and convey ideas and information clearly.

Science
 • I can identify how technology is used to limit the impact of constructive and destructive processes.

Social Studies
 • I can trace important developments in America from 1975 to 2001.

At Home

Help your child practice their multiplication and division facts each week. You can have them do flashcards or students can play interactive games using this site:
https://www.mathplayground.com/index_multiplication_division.html
