10TH, 11TH, AND 12TH GRADE COURSE OFFERINGS

Elective Portal & Waivers Window: Tuesday, February 15, 2022 through Wednesday, February 23, 2022

Section 1 - Core Courses

Guidelines

- Your current teachers have made core course recommendations.
- During the Elective Portal window, students must verify core course recommendations and make additional elective course selections.
- Should you disagree with the core course recommendation, please complete the online course waiver form on the EFHS website.
- Course numbers that end in "y" are year-long courses. Courses that end in "s" are semester courses. Students who select a semester course must select two 's' courses to balance their schedule.
- Select the number of elective courses needed to equal seven total courses (core + electives = 7). You must also select three alternate electives.
- In the elective portal, you will see 100% complete at the top when you have a complete schedule.
- Courses with a (*) indicate a HOPE Rigor course

Portal Registration Directions

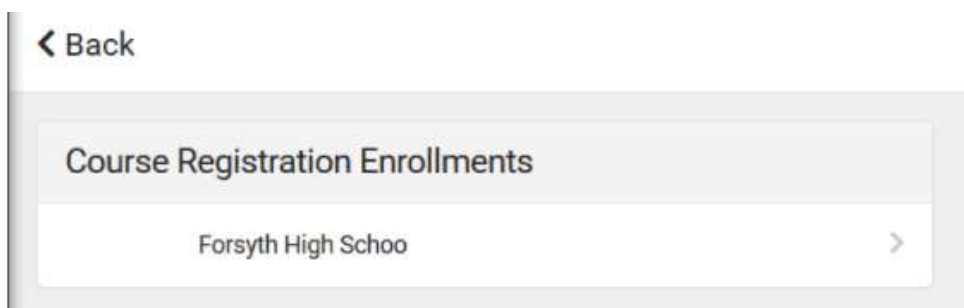

The portal will be open via Student Portal from February 15th at 8:00AM until February 23rd at 4:00PM.

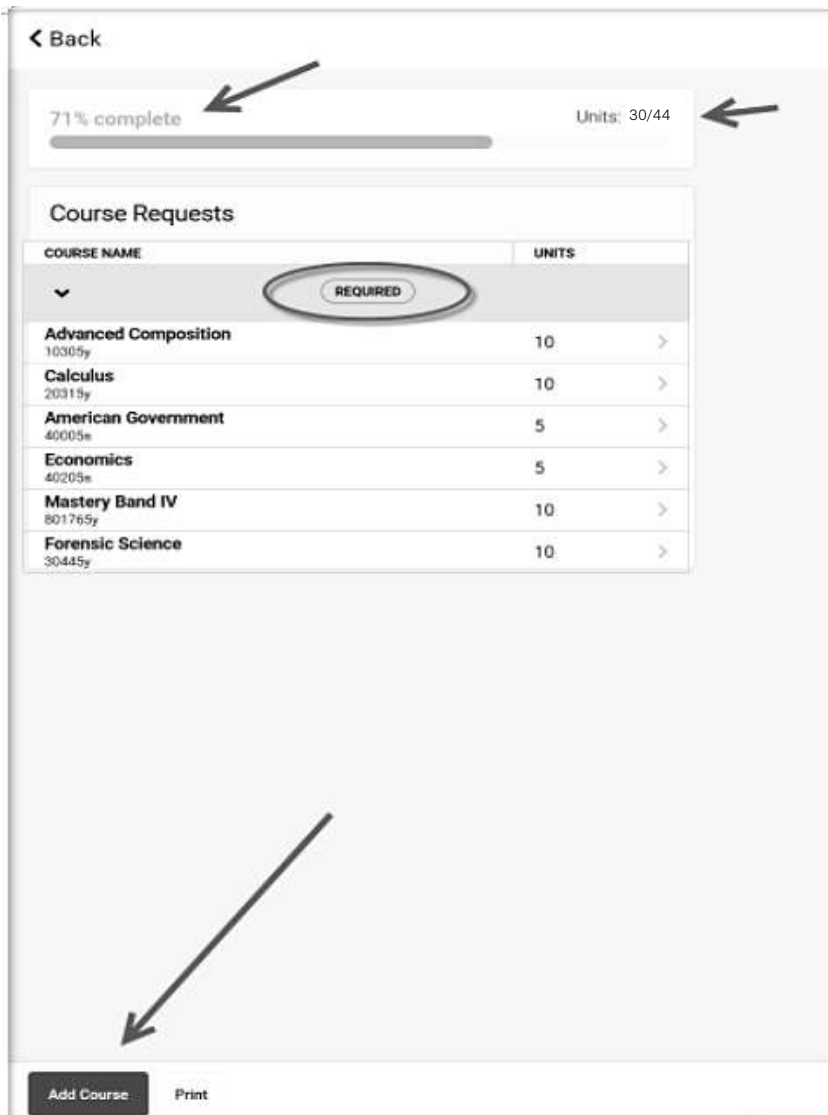

Please log into your parent portal account. If you do not have a parent portal account, please contact the school you are currently attending.

On the left-hand side of your screen at the bottom, select More. Then select Course Registration.

Then select the school showing.

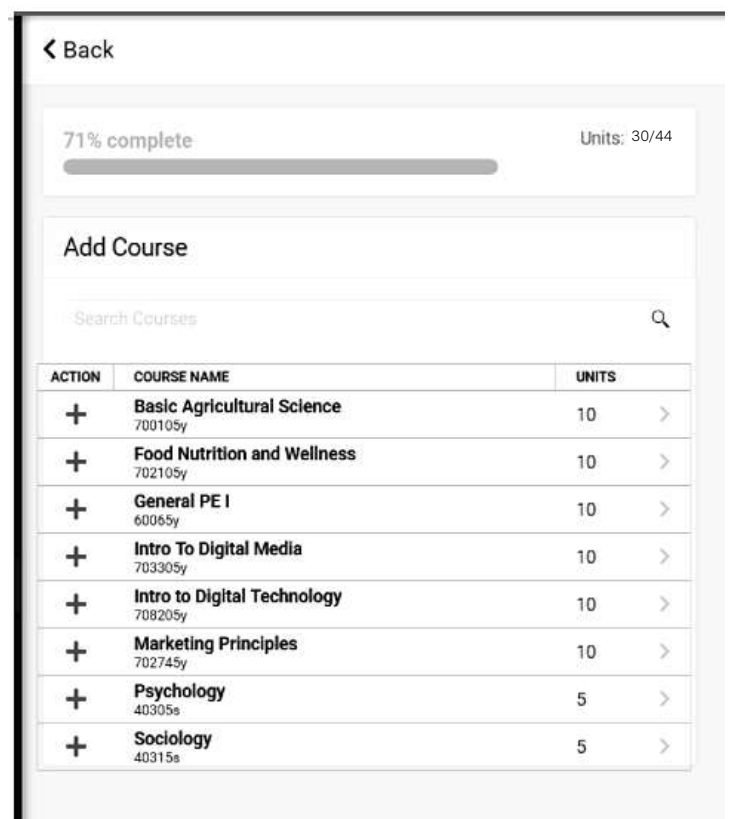

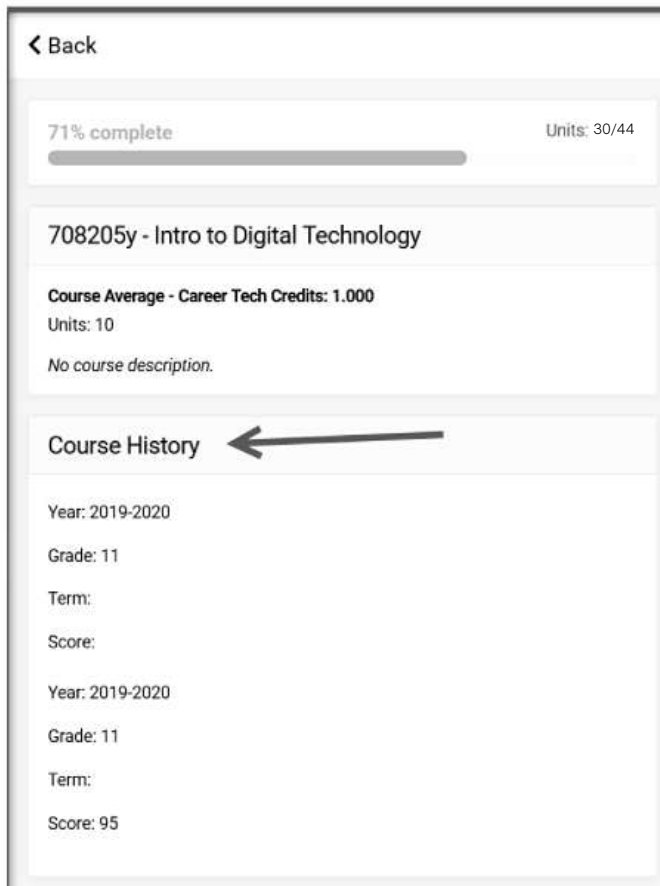

The next screen to appear will show you the courses your student has been recommended for next year. These will be listed under the title "Required". You will also notice at the top of the screen percent complete bar and Units (xx/xx). Each course is comprised of units. Normally, a yearlong course equals 10 units and a semester course equals 5 units. You will be able to select Elective courses until you reach the maximum of 44 units. All courses requested after the 44 units will be Alternate Courses.

At the bottom of the screen is a blue box – Add Course. Select this box.

The next screen after selecting Add Course will list all elective course options.

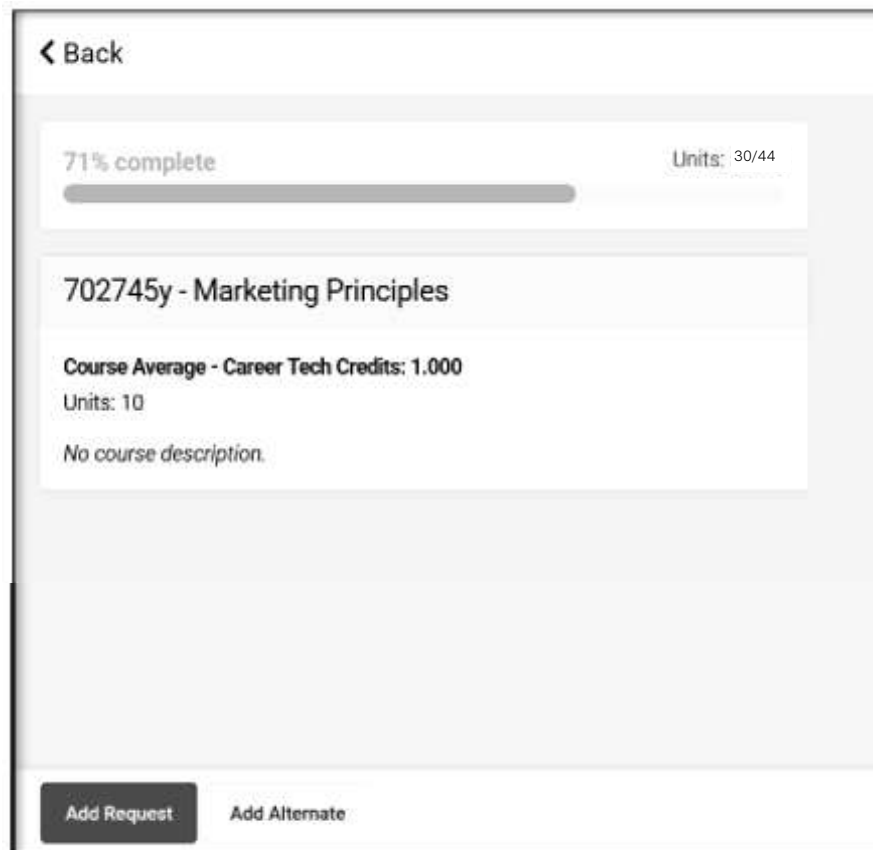

If you know the course number or course name you can type it in the search bar OR if you see it listed, select the arrow next to the course name.

A new screen will appear – If you see Course History listed, this means the student has already taken or is currently taking the course. Do not select the course. Select back and make another choice.

If you do not see Course History listed, then you can select either Add Request or Add Alternate at the bottom. You will only select Alternate when the units shown at the top reach 44/44.

Once that is complete select the Back arrow at the top. This will bring you back to the main screen and show you all courses requested and your alternates. You have the option to make any corrections then select the print button at the bottom.

The screenshot displays a user interface for course requests. At the top left is a back arrow labeled "Back". Below it is a progress bar showing "100% complete" and "Units: 44/44". The main section is titled "Course Requests" and contains a table with three categories: "REQUIRED", "REQUESTS", and "ALTERNATES". Each category has a dropdown arrow and a button labeled with the category name. A large arrow points to the "REQUIRED" button. The "REQUESTS" category also has a button and a large arrow pointing to it. The "ALTERNATES" category has a button and a large arrow pointing to it. At the bottom, there are two buttons: "Add Course" and "Print". A large arrow points to the "Add Course" button.
