

North Forsyth High School: 10th- 12th Grade 2018-19 Course Selection Sheet

General Information: Teachers have made core academic and second or third level CTAE Pathway recommendations.

-At this time, students must verify course selections and make additional elective choices.

-Should you disagree with the teacher recommendation(s) seen in Infinite Campus, please complete the on-line course waiver found on the NFHS website.

-Courses that end in "y" are year- long courses. Courses that end in "s" are semester courses. Therefore, students who select a semester course must select two "s" courses to balance their schedule.

-Courses with a teacher name, instead of a course number, require that teacher's approval for placement/application/audition. An (*) designates an application must be completed. See the teacher and/or check on the 2018-2019 Registration link on the NFHS Website for a copy of the application.

-Select the number of elective courses to equal a 7 period day schedule. In portal you will see 70/70 when you have a complete schedule. You must select three alternates.
