What to know about the PSAT/NMSQT

Test Date: Wed., October 13

PSAT can help you qualify you for scholarships and other honors as well as a concordant score for the Algebra 1 EOC. It can also help you start thinking about and planning for college, see which academic skills you need to work on, and get ready for the SAT.

Test length: 2 hours 45 minutes

No points deducted for incorrect answers or unanswered questions, *also known as "rights-only scoring"*

Personalized SAT practice through Khan Academy® with students' own PSAT/NMSQT scores

Scale ranges for the scores are 320 – 1520 for the total score

PSAT – CollegeBoard Account

- How will students get PSAT scores?
 - When your PSAT/NMSQT scores are ready online (early December), you'll get an email with instructions on creating your College Board account, going to your online score report, and using your access code to view your scores.
