What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together to make sure all our students reach grade-level standards.

Effective Compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home

Jointly Developed

The parents, students, and staff of Riverdale High School developed this school compact for student achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the Compact.

Parents are welcome to provide suggestions and feedback at any time. For more information please contact Jamille Miller-Brown at email jamille.miller-brown@clayton.k12.ga.us
