

Our Goals for Student Achievement

District Goals

Increase academic achievement by 3% for all Clayton County Public Schools as evidenced by state, national, and international assessment results.

School Goals

- ❖ Improve students' ability to reason abstractly and quantitatively.

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together to make sure all our students reach grade-level standards.

Effective Compacts:

- ❖ Link to goals of the school improvement plan
- ❖ Focus on student learning skills
- ❖ Describe how teachers will help students develop those skills using high-quality instruction
- ❖ Share strategies parents can use at home
- ❖ Explain how teachers and parents will communicate about student progress
- ❖ Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, students, and staff of Lovejoy High School developed this School-Parent Compact for student achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on the data and students' needs.
