Hello All 1st Period Teachers,

We are excited to announce that SAHS and the St. Johns County School District is partnering with Feeding Northeast Florida (formerly Second Harvest Food Bank), Publix Super Markets, the Jacksonville Jaguars and 99.9 Gator Country for the **500,000 Can Challenge!**

At SAHS, we are beginning a friendly competition to see which 1st period class can collect the most canned food items for this Challenge. We would like to encourage your 1st period class to get involved with this worthwhile initiative by collecting canned food from **December 1** through **December 14**. The winning 1st period class will receive

Additionally, to reward the participating schools, Publix and the Jacksonville Jaguars have generously offered some amazing prizes! Publix has committed to award gift cards to the winning schools within St. Johns County as follows:

- **\$1,000** Publix gift card for the winning high school, middle school and elementary school

- **\$500** Publix gift card for the second place high school, middle school and elementary school
- **\$250** Publix gift card for the third place high school, middle school and elementary school

Also, as an added bonus, the school that collects the most food overall will be rewarded with a pep rally thrown by the Jaguars with special appearances by Jaguar players, members of the ROAR and the one and only Jaxon deVille! Although the prizes are wonderful incentives, the real winners will be the families who will have food for the holiday season!

The Hi Q team will meet after school from 3:45-4:30 Monday, December 1st, in the Media Center. The regional tournament is scheduled for Tuesday, December 9th at Creekside High School. This meeting is mandatory, if you plan on participating in the tournament!
