A cash donation will be awarded to the top three schools with the most registrants. In 2020, these schools were Palm Valley Academy, Valley Ridge Academy and Ocean Palms Elementary School. All race registrants will receive a t-shirt and other goodies from area businesses and organizations. At the finish line, each race participant will receive a commemorative item.

This event is produced by the CHARACTER COUNTS! Steering Committee and is presented by Beaver Toyota with support from businesses and community groups. Action News Jax CBS47/FOX30 is the official media sponsor of this run/walk.

The SJCSD, along with area businesses, youth organizations and civic groups, selected the national character education program of CHARACTER COUNTS! as a countywide initiative to instill positive character traits in young people throughout the county. School and District COVID Protocols

Dear Parents/Guardians,

The DOH has adjusted the student quarantine guidelines as of yesterday. There has been information sent out via the news stations but I wanted to communicate it clearly to you so that you understand your choices if you are notified that your child is a close contact of a positive COVID individual.

On 9/22/2021, the Department of Health has updated their emergency rule (64DER21-15) to include student quarantines.

1. *Student quarantines: (3)(a) Parents or legal guardians of students who are known to have been in direct contact with an individual who received a positive diagnostic test for COVID-19 **may choose one of the following options:***
 - a. *Allow the student to attend school, school-sponsored activities, or be on school property, without restrictions or disparate treatment, so long as the student remains asymptomatic; or*
 - b. *Quarantine the student for a period of time not to exceed seven days from the date of last direct contact with an individual that is positive for COVID-19.*

Based on this new ruling, you have a choice whether to quarantine your child or not, if they have no symptoms. Below is the new email communication that you will receive notifying you of your choices if your child is a close contact:

We have been advised that your child, [student name], has potentially been exposed to a COVID-19 positive individual on [exposure date]. In accordance with the FL DOH Emergency Rule, you may choose to keep your child home to quarantine for a period of time not to exceed seven days. Your child does not need to seek COVID-19 testing or produce a negative test result to return to school tomorrow if he/she is without any symptoms.

If you choose to keep your child home to quarantine, please call the District COVID Support Team at 904-547-8230 to report your child on quarantine.

If you have health-related quarantine questions, we have set up a quarantine call line at 904-819-1101.

To be clear, if your child has NO symptoms and is on quarantine, they may return to school if you choose. This begins today. If you choose to quarantine, you need to contact the District COVID support team and report that you are opting to quarantine your child. This also begins today.

Due to this change in policy, it is more important than ever to monitor your child for symptoms and keep them home if they are not well. We want students to be in school learning and we also want children healthy and safe. We are in this together and will continue to work together to navigate this new normal.

Thank you for your patience and understanding. If you have any questions, please call 904-547-8230 for further clarification.

Sincerely,

SJCSD Administration
