<b>Forward Momentum Chicago</b>	Forward Momentum Chicago, NFP (FMC) is a not-for-profit organization that provides outstanding dance education for children and communities where little or no dance training is offered. Programs are offered primarily in three areas of focus: in the classroom, in the studio, and through community scholarship programs in various studio settings throughout the city. As Chicago Public Schools mandates arts education programming at every school, FMC is poised to be one of the leading service providers in the area of dance. Pierre Lockett, former professional dancer and Director of Community Engagement for The Joffrey Ballet is the founder and Executive Director of FMC. He has more than 30 years of experience in the field and has an outstanding reputation of producing quality dance education programs and dancers in the Chicagoland area. FMC has over twenty experienced and talented instructors who are proficient in a number of dance styles and are committed to providing outstanding instruction to students in our programs. FMC also employs a certified dance instructor, an arts integration specialist and a CPS certified class room teacher as consultants who assist with making sure that our programs meet CPS standards and the needs of our students.
<b>MWB / WBE Status</b>	In 2016, FMC provided dance instruction to 38 schools and reached more than 5,000 students. FMC prides itself on delivering quality programs that are educational, fun and engaging for students. Our new curriculum was designed by Columbia College Arts Integration professor Cris Carole and is designed to meet a number of national and state standards. Our curriculum incorporates: 21 <sup>st</sup> Century Learning, SEL, National and State Dance Standards, CPS Standards for learning in the arts and a number of Health Standards. School programs are offered in Chicago area public schools and are priced competitively to meet the needs and challenges facing CPS schools budgets. We also offer free dance classes to students from our school programs and look to identify students with exceptional talents for higher level instruction through partnerships with other institutions like: ChiArts, Whitney Young High School, After School Matters, Chicago Academy for the Arts and our FMC's six-week summer dance camp. Our programs place an emphasis on exposure to the art form, college and career readiness, and health and are designed to leave an impact long after the students leave school.
