

Cypress Creek High School Elective Course Selection Planning Sheet

Directions: Recommended electives are listed below. Please number your elective choices in order of preference one (1) to six (6), with one (1) being the course that you want to take the most and six (6) being the class you want to take the least of your choices. Classes are offered on the basis of the choices that you make. The choices that you make are binding. If you do not choose elective courses and your first choice electives are full, your classes will be chosen for you and schedule change requests will not be honored. Schedule changes will not be made because you decide that you do not want to take a course any longer. Please choose wisely as you will be taking the classes that you select. Some classes require a teacher signature for approval or an application.
