

Welcome to Hal Hutchens Elementary's Family Night – Math Strategies

January 23, 2020 6:00 – 8:00 p.m.
586 Clonts Road Douglasville, GA 30134
678-838-2683
Ms. Priscilla Smith

Hal Hutchens Elementary School Improvement Goals 2019-2020:

- ✓ Students in Third through Fifth Grade scoring proficient or distinguished on the Georgia Milestones Math Assessment will increase from 52% on the April 2019 administration to 67% on the April 2020 administration.

| What? | Where? | When? | Parent Math Tip |
|---|-----------------------|--|---|
| <p>Classroom</p> <p><i>All parents will attend first session. There is a second session for families with students in more than one grade level.</i></p> | <p>Classroom Pods</p> | <p>Session 1- 6:30 Session 2- 7:00</p> | <p>Talking with your child about what they would like to accomplish during the school year will help them start to learn the invaluable skill of goal setting. Working with your child on their math fact fluency and strategies can improve their math success in the classroom.</p> |
| <p>Be a Team Player</p> | <p>Music Room</p> | <p>6:00-6:30 7:00- 8:00</p> | <p>Songs are a great way to engage students in their math practice. Flocabulary, Go Noodle, and School House Rock are great resources for math songs. Remember that a song does not explicitly teach the concept, but it can serve as a way for your kids to make connections and deepen understanding.</p> |
| <p>Game Day Activities</p> | <p>Gym</p> | <p>6:00-6:30 7:00- 8:00</p> | <p>Hands on activities and active games are a great way to engage your child in math and other important skills. Family game nights are a great way for everyone to get involved.</p> |

| | | | |
|--|---|---------------------------------|---|
| <p>Math Bingo</p> | <p>Media Center</p>  | <p>6:00-6:30 7:00- 8:00</p> | <p>Research has shown that long-term success in mathematics is closely tied to strong number sense, including fluency with basic facts. In order for students to become fluent with their basic facts, they need to develop strategies that move beyond counting. Using Flash Cards and Number Talks are great strategies to support math fact fluency.</p> |
| <p>Game Day Tailgating</p> <p><i>Thank you to our PTA for providing dinner tonight!</i></p> | <p>Café</p>  | <p>6:00-6:30 7:00- 8:00</p> | <p><i>Thank you for your support of our PTA, our school, and most importantly our students, teachers, and families!</i></p> <p>“At the end of the day, the most overwhelming key to a child’s success is positive involvement of parents.”</p> |

Thank you for coming to Hal Hutchens’s Family Night –Math Strategies!

Please leave your feedback in the raffle box on your way out by the Parent Resource Center!

All raffle winners will be announced tomorrow morning.

Thank you to South Paulding High School and Georgia Swarm Lacrosse for their donation and support!
