

East Paulding High School National Art Honor Society Application

NAHS Mission

The purpose of a National Art Honor Society Chapter shall be to recognize those students who have shown outstanding ability in art, foster excellence and a dedicated spirit to the pursuit of art, further creative abilities and talents of the Society's members, as well as the school's entire student enrollment. It shall also be to aid members in working toward the attainment of the highest potential in an art area, bring art to the attention of the school and community, increase an awareness of art in relation to other areas of the school curriculum; and further aesthetic awareness in all aspects of the school's total program.

Academic Requirements

To be considered, students must be at least a sophomore, maintain an overall 3.0 GPA (or a 2.7 GPA for conditional acceptance), and earn at least an overall average of 90 in all art classes.

Students do not need to be currently enrolled in an art class, but they must have completed at least two semesters of an art class in high school.

Membership

Candidates meeting our established criteria of scholarship, service, and character are invited to become members. Once accepted, students need to maintain the minimum GPA and participate in activities and meetings each year to remain a member in good standing. Dues must be paid each year to remain in good standing.

Recognition

Seniors in good standing will receive cords for graduation. A scholarship will be awarded each year to a senior or seniors pursuing a degree relating to art. The amount of the scholarship will be determined based on yearly fundraising.
