Principal

Melissa Hatcher
Assistant Principal

Dear Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring system that is administered three times per year to track your student's progress in learning the Benchmarks of Excellent Student Thinking (B.E.S.T.) Standards throughout this school year. The purpose of this letter is to inform you that your student will take the First Grade Renaissance STAR Reading Assessment on April 21, 2023. The results from PM3 will show how well your student has mastered the grade level content standards, and you will be provided with information about how to access the results after testing is completed.

Your student's FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get less or more difficult depending on how a student responds, and each student will see different questions. If you or your student would like to review STAR Reading sample items at home, sample test items are available at <https://flfast.org/resources/renaissance-star/renaissance-star>.

The STAR Reading assessment is usually completed in less than 20 minutes.

If you have any questions related to this test administration, you may contact Melissa Hatcher, Ruth Milite or Payton Sullivan at 547-7980.

For more information about the Florida Statewide Assessments program, please visit the portal at [FLFAST.org](https://flfast.org).

Thank you for supporting your student and encouraging him or her to do his or her best during this test administration.

Sincerely,

Jeanette Murphy
