# **Domain 2: Planning and Preparing**

The teacher plans for clear goals and identifies them in the plan; he or she describes methods for tracking student progress and measuring success.

#### **Planning and Preparing for Lessons and Units**

#### 42. Effective Scaffolding of Information within Lessons

Within lessons, the teacher prepares and plans the organization of content in such a way that each new piece of information builds on the previous piece.

#### **Planning Evidence**

- ☐ Content is organized to build upon previous information
- ☐ Presentation of content is logical and progresses from simple to complex
- ☐ Where appropriate, presentation of content is integrated with other content areas, other lessons and/or units
- ☐ The plan anticipates potential confusions that students may experience

#### **Teacher Evidence**

- ☐ When asked, the teacher can describe the rationale for how the content is organized
- ☐ When asked, the teacher can describe the rationale for the sequence of instruction
- ☐ When asked, the teacher can describe how content is related to previous lessons, units or other content
- ☐ When asked, the teacher can describe possible confusions that may impact the lesson or unit

44. Attention to	Established (	Content	Standards
------------------	---------------	---------	-----------

The teacher ensures that lesson and unit plans are aligned with established content standards identified by the district and the manner in which that content should be sequenced.

# **Planning Evidence**

- ☐ Lesson and unit plans include important content identified by the district (scope)
- ☐ Lesson and unit plans include the appropriate manner in which materials should be taught (sequence) as identified by the district

# 46. Use of Available Technology

The teacher identifies the use of available technology that can enhance students' understanding of content in a lesson or unit.

# **Planning Evidence**

- ☐ The plan identifies available technology that will be used:
  - Interactive whiteboards
  - · Response systems
  - · Voting technologies
  - One-to-one computers
  - Social networking sites
  - Blogs
  - Wikis
  - Discussion Boards
- ☐ The plan identifies how the technology will be used to enhance student learning

# Planning and Preparing for Needs of Students Receiving Special Education

#### 48. Needs of Students Receiving Special Education

The teacher identifies the needs of students receiving special education by providing accommodations and modifications that must be made for specific students receiving special education.

#### **Planning Evidence**

- ☐ The plan describes accommodations and modifications that must be made for individual students receiving special education or groups of students according to the Individualized Education Program (IEP)for a lesson
- ☐ The plan describes the accommodations and modifications that must be made for individual students receiving special education or groups of students according to the IEP for a unit of instruction

# Planning and Preparing for Needs of Students Who Lack Support for Schooling

#### 49. Needs of Students Who Lack Support for Schooling

The teacher identifies the needs of students who come from home environments that offer little support for schooling.

# **Planning Evidence**

- ☐ The plan provides for the needs of students who come from home environments that offer little support for schooling
- ☐ When assigning homework, the teacher takes into consideration the students' family resources ☐ When communicating with the home, the teacher takes into consideration family and language resources

#### **Teacher Evidence**

- ☐ When asked, the teacher can articulate how the needs of students who come from home environments that offer little support for schooling will be addressed
