

Hickory Creek Elementary School HAWKS' NEST

"First we love them, then we teach them"

Dr. Paul Goricki, Principal

Mrs. Brenda Boyd, Assistant Principal

From the Principal's Desk

Nancy Vara and Jenny Densmore are Hickory Creek Teachers of the Year!

I'm proud to announce that Hickory Creek's *Teacher of the Year* is Nancy Vara. Mrs. Vara teaches fifth grade science, reading and social studies. Every day Nancy exemplifies the personal and professional qualities that represent the very best of our school. Mrs. Vara has long deserved this special honor and we're thrilled for her.

Hickory Creek's *Rookie Teacher of the Year* is Jenny Densmore. Miss Densmore teaches kindergarten and she does a terrific job of engendering a love for learning among our youngest students. Teachers who have taught less than three years are eligible for this district recognition.

Because Hickory Creek Teachers of the Year are nominated by their teaching colleagues, this peer recognition is a true honor. In a school like Hickory Creek, with so many extraordinary teachers, it is difficult to single out one or two teachers for this recognition. All of us are very proud to work with Nancy Vara and Jenny Densmore.

Welcome, Gabrielle Contreras!

I am pleased to announce that Miss Gabi Contreras has been recommended to fill the third grade vacancy at Hickory Creek. Miss Contreras has performed very well as long-term substitute at our school and I am happy to welcome her as a full-time faculty member.

Music Notes from Mrs. Gauger:

1. Students in grades 3, 4 and 5 have been working on learning some music vocabulary words since the first week of October! They have written down the due date AND the test date in their planner. They have been given class time to look up and write the definitions and all the information is posted on the Music Website at www-hce.stjohns.k12.fl.us. Click on "Staff Directory" and scroll down to Mrs. Gauger's name and click on "Website." Scroll down and click on "Vocabulary Homework" and you will find the list of words and definitions as well as a Word Search puzzle (for extra credit on the test!) and a set of flashcards to use when studying! The due dates and test dates are posted on the Music website, too.

2. Tuesday night - **OCTOBER 27TH** - is the annual **Character Counts! musical** presented by the Second Grade classes of Hickory Creek! Students will present the musical at 8:30 am, 1:30 pm and again in the evening at 7:00 pm. Check the reminder letter sent home last week for times your child needs to report and locations. The attire for this performance is blue jeans and the HCES field trip t-shirt for your child's classroom!

3. In preparation for the upcoming holiday seasons, we are showing that **Hickory Creek is a CARING school by collecting donations of canned food and non-perishable food items at this week's Character Counts! performance.** When you come to the concert, please bring a donation of food or monetary donation which will be used to provide food for families from within our own Hickory Creek family! And watch for more information about a **benefit concert** we are putting together as well!

4. Many thanks to those of you who purchased BRAX Spirit cups from Band and Chorus students! This was an outstanding fundraiser and the child you purchased from directly benefited from your purchase/donation! Thank YOU!
