June 9, 2014

Dear Parents/Guardians,

Wesley Chapel High School will be offering an Algebra 1 End-of-Course Exam remediation course this summer to any student who did not pass the Algebra 1 End-of-Course Exam and needed a passing score to earn credit for the course. The course is called Algebra 1 Credit Recovery. While working on mastering the major algebraic concepts that will enable the students to pass the Algebra 1 End-of-Course Retake Exam in July, the students enrolled in this course will have a Wesley Chapel High School Math teacher assigned to them. Upon satisfactory completion of this course, each student enrolled will earn a half elective credit. The course will commence on June 24, 2014 and conclude on July 10, 2014. It is an online course where students enrolled are expected to work from home and at school.

This course will be completed online through Algebra Nation. Students will report to Wesley Chapel High School. Transportation will be provided to any student who qualifies to ride a bus during the regular school year. Classes will start at 7:55 AM and end at 11:25 AM. Listed below is a timeline for the course:

- June 24th – First day of the Algebra 1 Credit Recovery course. All students meet in Room 117 at 7:55 AM.
- June 24th to July 3rd – Students will have class at Wesley Chapel High School on Tuesdays and Thursdays only (7:55 to 11:25).
- July 7th to July 10th – Last week of the course. Students report to Wesley Chapel High School Monday through Thursday (7:55 to 11:25).
- July 14th – First day of the Algebra 1 EOC. Testing will be administered at Wesley Chapel High School. Transportation **will not** be provided. The testing window is from July 14th to July 17th.

If you would like your student to participate in this program, please return the bottom portion of this letter to the school by no later than Monday June 16, 2014. All students must be enrolled in this course at this time.

Sincerely,

Tim Light
