Delaware Department of Education

Accountability Student Verification (ASV) System Information Sheet

Purpose:

The Accountability Student Verification (ASV) system will be used to identify all students who will be used in the calculation of all metrics used for the Delaware School Success Framework (DSSF).

Students Included:

All students grades K-12 are included in the Accountability Student Verification (ASV) roster system.

Metrics:

Academic Achievement

- Proficiency in ELA adjusted for Participation rate
- Proficiency in Mathematics adjusted for Participation rate
- Proficiency in Science adjusted for Participation rate
- Proficiency in Social Studies adjusted for Participation rate

Growth

- Growth in ELA
- Growth in Mathematics

On Track to Graduation

- Average Daily Attendance (ES/MS)
- On Track in 9th Grade (HS)
- Four-year Cohort Graduation Rate (HS)
- Five-year Cohort Graduation Rate (HS)
- Six-year Cohort Graduation Rate (HS)

College and Career Readiness

- Growth to Proficiency in ELA (ES/MS)
- Growth to Proficiency in Mathematics (ES/MS)
- College and Career Preparation (HS)

Uses:

Students identified in this system will provide the base list of students who will be used to calculate the metrics described above. All students will have additional validation added for full academic year (FAY).

Timelines:
- On July 20, 2015, documents will be available to provide guidance associated with application.
- On July 21, 2015, an online training session will be provided by Office of Accountability and Data Management.
- On July 22, 2015, rosters will be loaded into ASV.
- On August 4, 2015 all rosters must be submitted to DOE for verification/approval.
- By August 10, 2015 all rosters will be approved or returned to district/school for additional action.
- On August 14, 2015, ASV will close for all and rosters will be finalized.
