

School District

## **Agricultural Power and Engineering**

## HS & Web Address

Minimum HS Graduation Requirements		Р	PROGRAM OF STUDY MATRIX TEMPLATE: MIDDLE - HIGH SCHOOL – POSTSECONDARY CTE Pathy							
	Grade	English	Math	Science	Social Studies	Additional Required Courses	Career & Technical Courses		Other Required or Elective Courses	
				Student Success P	lans outlining career go	als should be utilized through the	e advisement process.			
Middle School	7	ELA 7	Math 7	Science 7	Social Studies 7		Exploring Agriscience 7		Electives	
	8	ELA 8	Math 8	Science 8	Social Studies 8		Exploring Agriscience 8		Electives	
	9	ELA 9	Algebra I	NGSS Aligned Physical/ Integrated Science	Civics/Geography	World Language I	Fundamentals of Agricultura Engineering	al Power and	ower and This matrix represents a <i>sample</i> program of study. The LEA's program	
Secondary	10	ELA 10	Algebra II	NGSS Aligned Biology	Economics/ Personal Finance	World Language II	Agricultural Welding and F	abrication	of study <u>must</u> be reflective of <u>local</u> /state high school graduation	
Secor	11	ELA 11	Geometry	NGSS Aligned Chemistry	US History	Physical Education (≥1 Credit)	Power and Mechanical	Systems	requirements and college entrance requirements.	
	12	ELA 12	Pre-Calculus or Statistics	NGSS Aligned Earth/Physical Science		Health Education (≥ 0.5 Credit)			This matrix should be reflective of the school's <u>course</u> <u>sequence</u> and requirements.	
Postsecondary	13	Students completing the Agricultural Power and Engineering program of study will receive credentials for the NCCER Core Curriculum coursework (72 hours) and will be granted advanced placement in Delaware registered apprenticeship programs through the adult education divisions of the New Castle County, Polytech, and Sussex Technical systems. Qualifying apprenticeable trades include: maintenance mechanic, iron worker, machinist, pipe welding, sheet metal, welding, mechanic,								
	14	and metal fabrication. The Department of Education is currently negotiating articulation agreements with Delaware Technical Community College (DTCC).								
	15 16	Continue courses in the area of specialization.

Sample Careers By Educational Level						
Employment Opportunities (Upon Completion of HS Pathway)	Technical Training or Associate Degree	Bachelor's Degree	Master's Degree or Above			
Assemblers and Fabricators, all other	Electrical and Electronics Engineering Technicians	Agricultural Engineers	Farm and Home Management Advisors			
Construction and Building Inspectors	Engineering Technicians, except Drafters, all other	Agricultural Inspectors	Agricultural Sciences Teachers,			
Control and Valve Installers and Repairers	Electrical and Electronics Repairers, Commercial and	Career/technical Education Teachers, Secondary	Postsecondary			
Cutting, Punching, and Press Machine Setters,	Industrial Equipment	School	Engineering Teachers, Postsecondary			
Operators, and Tenders, Metal and Plastic		Construction Managers				
First-line Supervisors of Mechanics, Installers,		Electrical Engineers				
and Repairers		Industrial Engineers				
Industrial Machinery Mechanics		Occupational Health and Safety Specialists				
Machinists						
Mobile Heavy Equipment Mechanics						
Welding, Soldering, and Brazing Machine						
Setters, Operators, and Tenders						

\*May require higher education depending on job responsibilities.

Feeder Middle School(s):

**Colleges/Universities and Articulated Credit Agreements:** The Department of Education is currently negotiating articulation agreements with Delaware Technical Community College (DTCC).
