

Our Goals for Student Success

Clayton County Public School Goals

By May 2018 all schools in CCPS will increase by 3% or more as measured by the College and Career Readiness Performance Index (CCRPI).

We will get there by increasing student skills in:

- Understanding multiplication and division within 100.
- Understanding units of Measurement
- Reading Fluency and Comprehension

Morrow Elementary School Goals

By May 2018, all students will understand addition, subtraction, and multiplication concepts to solve word problems. Students will read on grade level or higher. We will get there by:

- Teaching students to add, subtract, and multiply fluently within 1000.
- Teaching students to add, subtract, multiply, and divide fluently within 100 to solve two step word problems.
- Using computer based resources to enhance math skills.

When teachers, students, and families work together, we CAN achieve our goals!

Teachers, Parents, Students Working Together - A Recipe for Success!

3rd grade Teachers will:

- Encourage parents to use the following websites at home:
www.readwritethink.com
www.readtheory.org
www.mobymax.com
www.khanacademy.com
www.funbrain.com
- Create math flash cards for students to use in the classroom and at home.
- Provide guided reading instructions for parent to use at home.

At Home

Morrow Elementary School parents joined staff to develop ideas about how families can support students' success in Math.

- Review progress reports and assessment results with my child's teacher.
- Use flashcards to help my child learn basic addition, subtraction, and multiplication facts.
- Read with my child 30 minutes or more each day.
- Use math concepts during activities at home

Morrow Elementary School Students

Morrow Elementary School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in Math and Reading. Students thought of the following ideas to make connections between learning at home and school:

- Use the websites provided by my teacher.
- Review my math flashcards daily.
- Read 30 minutes each day.
- Study all subjects daily

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together to make sure all our students reach grade-level standards.

Effective Compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, students, and staff of Morrow Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings were held (Fall 2017) to review the Compact. Parents, teachers, and students met to discuss the 2016-17 compact and identify changes needed for the 2017-2018 compact. Parents are welcome to provide suggestions and feedback at any time throughout the school year.

If you would like to volunteer, participate and/or observe in the classroom, please contact Mr. Tony Keel, Parent Liaison at anthony.keel@clayton.k12.ga.us or 770-968-2900.

Building Partnerships

Morrow Elementary School welcomes parental and community partnership through our Partners in Education program.

- Bring Your Parents to School Day
- Family Meetings & Events
- Parent Workshops
- Fall Festival
- Math/Science Night
- Reading/ Literacy Night
- Spirit Night

Communication about Student Learning

Morrow Elementary School is committed to two-way communication with families about children's learning. Some ways you can expect us to communicate with you are:

- Provide frequent reports to parents on their child's progress
- Provide parent-teacher conferences every nine weeks in which the compact will be discussed in relation to the student's achievement
- Update the Parental Portal, Infinite Campus
- Connect Ed Calling Post
- School Marquee and Website
- Parent Emails and Text messages
- Monthly school calendar, newsletter, and event flyers
- Parent Liaison Parental Involvement, monthly calendar, and newsletter.

Classroom teachers can be reached at 770-968-2900. Check the school website (<http://clayton.115.schooldesk.net/>) to find your child's teacher's email address.

3rd Grade SCHOOL-PARENT COMPACT FOR ACHIEVEMENT 2017-2018
