

East Lake Art Club

2016-2017 School Year

Dear Parents and Students,

Thank you for your interest in the East Lake Elementary Art Club. This year we will have two different sessions for Art Club, fall 5th grade and fall 4th grade club. **We will have Art Club meetings one Monday a month from 2:30-3:30 beginning in September-December.** Students who are accepted into the Art Club will be dismissed from the art room to their afterschool classes if they are in afterschool. If they are to be picked up by a parent or guardian, we will be out in front of the school at **3:30** for pick up. Please have your car tag in your window, or be prepared to show ID to pick up your child. Please pick up on time. Late pick up will result in your child being dismissed from the club.

The Art Club will be working with several different materials to create a variety of personal and community based artworks. Students that apply for membership to the East Lake Elementary Art Club should be enthusiastic about art and willing to attend all meetings on Tuesday. Students should be willing to be creative and ready to learn about different types of art. Art club members are expected to have satisfactory attendance, grades, work habits, and behavior during both regular class time and during club time.

The purpose of the East Lake Elementary Art Club is to inspire and recognize those 4th and 5th grade students who have shown an outstanding ability in art and who want to showcase their talents. They will participate in local contests, art displays, and practice general art skills.

Students that are interested in applying for art Club will need to fill out the application that is attached. It also can be found on my school webpage. **Due to the high demand of interest, Art Club is limited in available slots. I will only select 20 applications for the spring Art Club Segment. I will send a letter home if your child is accepted into the spring Art Club segment.**

Applications must be returned to Mrs. Meredith's art room by Friday, August 25, 2017

If you have any questions, please email Katie Meredith at kmeredith@henry.k12.ga.us

Sincerely Yours in Art Education,

Katie Meredith
