News from the Principal

As we start planning for next school year, I do not take specific teacher requests. General letters reflecting teacher traits that would match your child's learning/behaviors style will be accepted and always considered. Specific characteristics or needs (PRIMES, Gifted, ESOL, ESE, health issues, 504 accommodations, learning styles, etc.) are taken into account when assigning students. **All general requests must be turned into me by April 30th** as we take input from the current teacher for the best placement too. Thank you.
