SCHOOL BUS HANDBOOK AND APPLICATION FORM

Introduction

This booklet contains important information that will enable you to register your child for public school bus service for the 2018-2019 school year. The Hawaii State Department of Education (HIDOE) strongly encourages current bus riders to pre-register as early as possible by submitting a completed bus pass application form (see inside back cover of this booklet) to the school office before May 31, 2018. New bus riders can register at their convenience.

Eligibility and Limitations

Students in grades K-5 must reside a mile or more from their home school and students in grades 6-12 must reside 1.5 miles or more from their home school to qualify for regular school bus service.

Regular school bus service is limited to transportation from the residential address of record to school and back home again.

Students who reside within these minimum qualifying distances; students who attend a school outside the home school attendance area; and students who require transportation to destinations other than home do not qualify for regular school bus service. However, exceptions can be made on a space available basis. Parents who wish to apply for space available bus service must submit a Request to Ride the School Bus on a Space Available Basis (Form CS-101, available at the school office) to the school principal along with the completed bus pass application form.

CAUTION: Approval or disapproval for space available bus service can take up to four weeks. Your child will not be permitted to ride the bus until your application is approved. Parents must make alternative transportation arrangements during the interim period.

Payment Plans

All bus riders (except those who are approved for free bus service) must pay the prevailing transportation fee. Three payment plans are available:

1. Annual – \$135 one way for the year (AM only or PM only) or \$270 round trip;
2. Quarterly – \$36 one way per quarter (AM only or PM only) or \$72 round trip;
3. Bus Coupons – \$12.50 per sheet of ten coupons at one coupon per ride (AM or PM)

The **Annual** plan is best for students who will use the school bus as their primary means of getting to and from school. The **Quarterly** plan is best for students whose transportation plans might change during the course of the school year (Parents can upgrade, downgrade or cancel a Quarterly bus pass at the end of the academic quarter but must pay for the next quarter bus pass before the start of the next academic quarter). **Bus coupons** are best for students who intend to ride the school bus only occasionally.

IMPORTANT: HIDOE has a firm NO REFUND policy on all bus pass purchases.

HIDOE urges you to consider your child's transportation plans carefully before purchasing a bus pass.

All bus pass sales are final.

Payments

Please do not attach your payment to the application form. Payments can only be accepted at the school office on designated days and times, and only after your application is reviewed and approved.

Once your application is approved, you will be instructed to remit your payment either in person or by mail. Accepted payment forms include cash, cashier's checks or money orders. Your child's school may opt to include personal checks as an acceptable payment form; please call to confirm. However, bus coupons can only be purchased with cash.

Returned Checks

If your child's school chooses to accept personal checks to purchase bus passes, there will be a \$25 fee for all returned checks. When this happens, bus service for your child will be immediately suspended. To restore service, you must pay the fee plus the cost of the bus pass to the school office.

Free Bus Pass

Students who meet one or more of these qualifiers are eligible to receive a free annual bus pass:

- Student receives free meals (subject to approval);
- Student is a foster child;
- Student is homeless and eligible for benefits under the McKinney-Vento Act (MVA);
- Student has an Individual Education Plan (IEP) or Modified Plan (MP) that includes transportation as a related service (special education only);
- Student is directed by HIDOE to attend a school outside of the home school attendance area;
- Student has at least three older siblings who pay the transportation fee at their respective schools.

If your child meets one or more of these qualifiers, please complete Part 3 of the bus pass application form, making sure to check off *all* of the qualifying categories that apply.

School Transfers

If your child transfers to another school during the school year and is eligible for bus service at the new school, any bus pass credit that you have at the former school will be transferred to the new school.

Bus Pass Cards

Once payment is made, your child will be given a temporary bus pass to use until the bus pass card is printed. Students must surrender the temporary bus pass to the school office in order to receive the permanent bus pass card. Bus passes and bus coupons are nontransferable and are valid only on the assigned bus route.

Students are expected to display their bus pass (or render a bus coupon) to the bus driver upon demand. Failure to do so may result in disciplinary action and service disruptions as follows:

Elementary and Middle School Students who fail to display a valid bus pass in the mornings will be transported to school then immediately reported to the school principal. Students who fail to display a valid bus pass in the afternoons may be required to obtain a temporary bus pass from the school office before boarding the bus. **Repeat offenders will not be permitted to board the bus.**

High School Students who fail to display a valid bus pass in the mornings upon demand may be refused a ride to school and will be immediately reported to the school principal. Students who fail to display a valid bus pass in the afternoons may be required to obtain a temporary bus pass from the school office before boarding the bus. **Repeat offenders will not be permitted to board the bus.**

Fraud – Students who attempt to fraudulently use an expired bus pass or a bus pass that does not belong to them will be reported to the school principal for discipline and will have the bus pass immediately confiscated.

Lost Bus Pass – There is a \$5 fee to replace a lost, stolen or damaged bus pass. Free bus recipients will receive up to two free replacement bus passes then will be required to pay the \$5 replacement fee.

Bus Stop Information

Parents can find bus stop information online at www.hawaiischoolbus.com. The landing page will display a map of the fifty United States. Simply click on Hawaii, then click on Hawaii Department of Education. Enter your home address and zip code to find the bus stop locations and pick up times closest to your residence. If no bus stop locations are listed for your school, please contact your school office or your District Transportation Office (see Contact Us).

Video Cameras and GPS Tracking

HIDOE is committed to ensuring your child's safety, health and well-being at all times. To that end, parents are advised that HIDOE utilizes video cameras and GPS tracking devices on all of its school bus vehicles statewide. Guidelines on the restricted use, application and retention of video surveillance files and vehicle tracking files can be obtained by contacting your local school bus transportation office (see Contact Us).

Complaints

If you have a concern about your child's bus service, bus driver or route schedule, please contact the school principal or your local District Transportation Officer immediately.

Discipline

Students who misbehave on the bus pose a serious health and safety risk to all passengers and are therefore subject to disciplinary action by the school principal. When an incident occurs, the bus driver is required to report it to the school principal within two school days. The principal will conduct an investigation of the incident and notify you of the outcome. If your child is precluded from riding the bus due to disciplinary action, you will not receive a refund for the unused portion of the bus pass.

The Passenger Safety Code (see page 5) is a set of rules that all bus riders are expected to comply with before the ride, during the ride and after the ride. Please discuss these rules with your child.
