Last name First name

Pasco Student ID: _____

Middle School Last Attended: _____

School City State

2019 - 2020

GRADE 8

DUE 2/22/19

8th Grade Requirements: Teachers must initial for each course requested below:

_____ M/J Language Arts III	_____ M/J Language Arts III, Advanced	
_____ M/J Comprehensive Science III	_____ M/J Comprehensive Science III, Advanced	<u>High School Math Courses (1.0 credits)</u>
_____ M/J World History	_____ M/J World History, Advanced	_____ Geometry Honors
_____ M/J Grade 8 Pre-Algebra	_____ Algebra I Honors (HS course 1.0 credit)	_____ Algebra II Honors @ SLHS

* **Advanced Course Criteria:** Placement in advanced courses will be based on grades in previous classes, standardized test scores, and teacher recommendations. *A Parent/Teacher Conference is required to move down a level once classes begin.*

Self-Contained Gifted Classes

Please disregard this section if your child has not yet qualified for gifted services in Pasco County. Teachers must initial approved courses:

_____ M/J Language Arts III, Advanced	_____ M/J Comprehensive Science III, Advanced
_____ M/J World History, Advanced	_____ Math course (please list the course/level) _____

*Gifted students may also participate in the Soaring Ravens Academy. See the criteria below regarding math/science courses.

*Students electing to not take all Gifted courses offered (E/LA, World History, Science) may not receive an approval for School Choice Placement at CSRMS when selecting 'Self-Contained Gifted' as the reason for requesting placement at CSRMS (unless participating in Soaring Ravens for Math and Science courses along with M/J Language Arts II Advanced and World History Advanced).

Soaring Ravens Academy

High School Biology and Geometry Honors Courses at CSRMS

High achieving students interested in taking accelerated courses with the opportunity to complete high school level math and science courses *while in middle school* may select to participate in courses offered at CSRMS. Students may participate in one of the two following tracks.

Teacher initials required: _____	_____ M/J Language Arts III	_____ M/J Language Arts III, Advanced
Teacher initials required: _____	_____ M/J World History	_____ M/J World History, Advanced

Students have the potential to earn a minimum of 3 high school credits by the completion of 8th grade.

* Completion of M/J Comprehensive Science III through Pasco eSchool is required before placement into Biology Honors, Advanced on CSRMS campus. Students must begin this course as soon as possible to ensure completion before August 1st. Notify Ms. Blazys regarding course completion at kblazys@pasco.k12.fl.us as soon as possible to ensure your seat in the Academy – due to limited availability.

	Math	Science
6 th grade (and prior courses)	M/J Grade 6 & 7 Mathematics, Advanced	M/J Comprehensive Science I, Advanced
7 th grade	Algebra 1 Honors (*HS 1.0 credit)	M/J Comprehensive Science II, Advanced
Summer before 8th grade		<i>M/J Comprehensive Science III, Advanced</i>
8 th grade	Geometry Honors (*HS 1.0 credit)	Biology Honors (*HS 1.0 credit)

Teacher approval required: Math: _____ Science: _____

____ Chorus
____ Creative Writing
____ Guitar
____ Keyboarding
____ Percussion
____ Theatre
____ 3D Studio Art

HS Credit Earning Electives

____ Digital Information Technologies I
____ Digital Design I
____ Medical Skills Services I
____ Spanish I
____ Spanish II

*FSA of 3+ in Math and E/LA required for HS electives

School Counselor must complete below regarding Accelerated Literacy and Personal, Career, and School Development Skills:

____ **Accelerated Literacy:** Required course for students with FSA scores of levels 1 or 2.
Students not meeting FL Reading Standards may be placed into Accelerated Literacy in lieu of an elective. FSA scores, IRLA data, and previous course progress will be used as factors to determine placement.

____ **Personal, Career, and School Development Skills:** Required course for students with previous 6th and 7th grade course failures.

PE Waiver - We would like to have one on file in case the schedule does not include PE.

All students are required to take at least one semester of Physical Education each year. A completed PE waiver must be on file prior to obtaining a schedule that does not contain PE.

PE Waiver Statement: Senate Bill 610 requires the equivalent of one class period per day of physical education for one semester of each year for students in grades 6 – 8. The physical education requirement shall be waived for a student who meets one of the following criteria: a) The student is enrolled or required to enroll in a remedial course, b) the parent requests that the student enroll in another course from among those offered as options by the school district, or c) the student is participating in physical activities outside the school day, which are equal to or in excess of the mandated requirement.

After reading the PE Waiver statement, I believe my child meets one of the listed criteria for an exemption and request a course other than PE. Please sign below.

School/Location: _____

CHARLES S. RUSHE MIDDLE SCHOOL

Full course descriptions can be found through the FLDOE at cpalms.org. Please see below for brief elective course descriptions.

Middle School Semester-Long Electives

Physical Education / M/J Comprehensive (*required annually)

The purpose of this course is to provide a foundation of knowledge, skills, and values necessary for the development of a physically active lifestyle. The integration of fitness concepts throughout the content is critical to student success in this course and in the development of a healthy and physically active lifestyle.

2D Art

Students explore media and techniques used to create a variety of 2-D artworks through developing skills in drawing, painting, printmaking, and collage. Students practice, sketch, and manipulate the structural elements of art. Investigation of artworks from Western and non-Western cultures provide a means for students to expand their understanding and appreciation of the role of art in global culture.

3D Art

Students begin an exploration of the structural elements of art used when creating 3-D forms. Additive and subtractive processes are used to manipulate and construct sculptural or ceramic forms in media that may include, but are not limited to clay, wood, plaster, found objects, and paper maché, with consideration of the workability, durability, cost, and toxicity of the media used.

Exploration of Health Science Professions and Career Planning

The purpose of this course is to assist students in making informed decisions regarding their future academic and occupational goals and to provide information regarding careers in the Health Science career cluster. The content includes but is not limited to exploratory activities relating to all health occupational clusters.

Exploring Technology and Career Planning

The purpose of this course is to give students an opportunity to explore the area of production technology and its associated careers. Students will be given the opportunity to solve technological problems using a variety of tools, materials, processes and systems while gaining an understanding of the effects of production technology on our everyday lives.

Fundamentals of Culinary Careers and Career Planning

The purpose of this course is to assist students in making informed decisions regarding their future academic and occupational goals and to provide information regarding careers in the Hospitality & Tourism career cluster.

Introduction to Finance and Career Planning

The purpose of this course is to assist students in making informed decisions regarding their future academic and occupational goals and to provide information regarding careers in the Finance career cluster. The content includes but is not limited to instruction in elements of the financial industry: planning; management; finance; economics; technical and production skills; underlying principles of technology; labor issues; community issues and health, safety, and environmental issues; risk management liability; and health, life, and disability insurance.

Middle School Year-Long Electives:

Band 2+

Students with previous band experience build on instrumental technique, music literacy, and aesthetic response through rehearsal, performance, and study of a variety of high-quality band literature. Instrumentalists expand their knowledge of music notation, music theory, sound production, and personal and group rehearsal strategies. Public performances may serve as a culmination of specific instructional goals. This course may also require students to obtain a musical instrument (e.g., borrow, rent, purchase) from an outside source.

Chorus

Students develop beginning vocal technique and skills, critical and creative thinking skills, and an appreciation of music from around the world and through time. Public performances may serve as a culmination of specific instructional goals. Students may be required to attend and/or participate in rehearsals and performances outside the school day to support, extend, and assess learning in the classroom.

Creative Writing

The purpose of this course is to enable students to learn and use writing and language skills for creative expression in a variety of literary forms. Emphasis will be on development of a personal writing style.

Guitar

Students develop basic guitar skills and knowledge, including simple and full-strum chords, strumming patterns, playing/singing simple melodies, foundational music theory, parts of the guitar, and ensemble skills. Beginning guitarists explore the careers and music of significant performers in pop/rock, jazz, blues, classical, country, bluegrass, and hard rock/metal genres. Public performances may serve as a culmination of specific instructional goals. This course may also require students to obtain a musical instrument (e.g., borrow, rent, purchase) from an outside source.

Keyboarding

Students with little or no prior experience develop fundamental piano techniques, learn to read music, apply basic music theory, and explore the role of keyboard music in history and culture. Beginning pianists explore musical creativity in the form of basic arranging and improvisation, and develop analytical listening and problem-solving skills. Public performances may serve as a culmination of specific instructional goals. Students may be required to attend and/or participate in rehearsals and performances outside the school day to support, extend, and assess learning in the classroom.

CHARLES S. RUSHE MIDDLE SCHOOL

Percussion/Instrumental Ensemble

Students with little or no instrumental ensemble experience develop musicianship and performance skills as they study, rehearse, and perform high-quality ensemble literature in diverse styles. Students may be required to attend and/or participate in rehearsals and performances outside the school day to support, extend, and assess learning in the classroom. This course may also require students to obtain a musical instrument (e.g., borrow, rent, purchase) from an outside source.

Theatre

Students learn the basics of building a character through such activities as pantomime, improvisation, and effective speaking using articulation, projection, and breathing. Students also learn the importance of technical theatre and explore the use of such elements as costumes, props, and scenery. Students practice writing for the theatre and explore various theatre roles and functions. Public performances may serve as a culmination of specific instructional goals.

Personal, Career, and School Development Skills (Credit Recovery)

The purpose of this course is to provide students who have been designated as at-risk of dropping out of middle school with an opportunity to experience success in school and improve attitudes and behaviors towards learning, self, school and community.

Accelerated Literacy (Required Course for students with FSA scores of levels 1 or 2)

The purpose of this course is to provide instruction that enables students to accelerate the development of reading and writing skills and to strengthen those skills so they are able to successfully read and write grade level text independently. Instruction emphasizes reading comprehension, writing fluency, and vocabulary study through the use of a variety of literary and informational texts encompassing a broad range of text structures, genres, and levels of complexity. Texts used for instruction focus on a wide range of topics, including content-area information, in order to support students in meeting the knowledge demands of increasingly complex text. Students enrolled in the course will engage in interactive text-based discussion, question generation, and research opportunities. They will write in response to reading and cite evidence when answering text dependent questions orally and in writing. The course provides extensive opportunities for students to collaborate with their peers. Scaffolding is provided as necessary as students engage in reading and writing increasingly complex text and is removed as the reading and writing abilities of students improve over time.

High School Electives – 1.0 Credit Earning

HS Spanish 1 (HS Credit 1.0) *FSA of 3+ in E/LA required.

Spanish 1 introduces students to the language and its culture. The student will develop communicative skills and cross-cultural understanding. Emphasis is placed on proficient communication in the language. An introduction to reading and writing is also included as well as culture, connections, comparisons, and communities.

HS Spanish 2 (HS Credit 1.0)

Spanish 2 reinforces the fundamental skills acquired by the students in Spanish 1. The course develops increased listening, speaking, reading, and writing skills as well as cultural awareness. Reading and writing receive more emphasis, while oral communication remains the primary objective.

Digital Design I (HS Credit 1.0)

This course is designed to develop basic entry-level skills required for careers in the digital publishing industry. The content includes computer skills; digital publishing concepts and operations; layout, design, measurement activities; and digital imaging as well as communication, collaboration and decision-making activities; critical thinking; and problem solving. After successful completion of Digital Design 1 students will have met occupational completion point - B, Production Assistant - SOC Code 43-9031.

Digital Information Technology (HS Credit 1.0) *FSA of 3+ in E/LA required.

This course is designed to provide a basic overview of current business and information systems and trends, and to introduce students to fundamental skills required for today's business and academic environments. Digital Information Technology includes the exploration and use of: databases, the internet, spreadsheets, presentation applications, management of personal information and email, word processing and document manipulation, HTML, web page design, and the integration of these programs using software that meets industry standards. After successful completion of this core course, students will have met Occupational Completion Point A, Information Technology Assistant - SOC Code 15-1151.
