**FLVS/eSchool**

Students interested in virtual school courses must meet with their HHS guidance counselor. Students must select and will be enrolled in 6 on-campus courses at Hudson High School until enrollment in alternate educational settings have been authorized by Hudson High School administration.

**Schedule Changes**

Hudson High School's Master Schedule will be developed based on student requests. Please take careful consideration when selecting courses, as limited schedule change requests will be granted during the 2018-19 school year due to the Florida state-mandated Class Size Amendment. Some examples of situations that will NOT result in a schedule change are: a desire for another instructor, a desire for a different lunch, requested the course but no longer interested in the subject, or did not complete and return a course card in the spring.
